Welcome to the State Championships

From the Executive Director

On behalf of the Ohio High School Athletic Association, welcome to the 51st annual boys and 42nd annual girls State Soccer Tournaments. I extend these wishes on behalf of the OHSAA's Board of Directors, our staff and our member schools.

Over 350,000 young people in our state annually participate in interscholastic athletics. The state tournament is the pinnacle of each high school season, and the air is filled with excitement in anticipation of today's event.

Few things bring schools, communities and students together like high school activities and sports. This tournament event not only promises to help rekindle the spirit of citizenship and community, but it also will afford our students the lifelong memories of playing together to achieve successes later in life.

The Ohio High School Athletic Association is proud to host today's tournament event, and we're also proud to provide quality programs which help apply the lessons of life in an unequalled atmosphere. While we hope student-athletes are participating in interscholastic athletic programs because they're having fun, participation also promotes citizenship and sportsmanship; instills a sense of pride in community; teaches lifelong lessons of teamwork and self-discipline, and facilitates the physical and emotional development of our youth. In short, interscholastic athletic programs are vital to our youth because they provide lessons that are as important as those taught in the classroom, and they help prepare our sons and daughters for the next level of life.

As you watch the competition today, you as spectators can also contribute to the quality of this tournament event and the experience of our young people. By meeting the challenge of displaying sporting behavior in the stands, you are providing a sound example for the students in attendance and are also representing your schools and communities with pride and dignity. Indeed, such events should be both a playing experience and a learning experience for our high school students, so let's make sure that, whether we win or lose today, that our focus is to recognize and celebrate the commitment, dedication and determination of the young people competing.

The OHSAA wishes all teams and participants good luck, and we hope your experience at this tournament is positive. And as you watch today, please remember that everyone has the opportunity and responsibility to "Respect The Game!"

Spectators are asked to add to the quality of this tournament by displaying sportsmanship in the stands and showing respect for all participants and officials. You are representing your school and your communities, just like the student-athletes competing. Let's make sure that, win or lose, our focus is to recognize and celebrate the dedication and determination of the young people competing.

Sincerely,

Doug Ute

Columbus Crew to Host OHSAA Soccer Finals through 2028

The Ohio High School Athletic Association and Columbus Crew have announced an agreement to hold the OHSAA soccer state championship games at ScottsMiracle-Gro Field or Historic Crew Stadium through 2028.

The OHSAA soccer state championships have been hosted by the Crew since 1999. Crew Stadium, now Historic Crew Stadium, hosted the finals from 1999 through 2020. In 2021 and 2022, the finals were hosted at Lower.com Field, now ScottsMiracle-Gro Field, before returning to Historic Crew Stadium from 2023-25. The Major League Soccer postseason format is the primary factor in determining which stadium will host the championships.

ScottsMiracle-Gro Field is a new world-class stadium and sits on 12 acres in the Arena District of downtown Columbus. It has a capacity for over 20,000 supporters and includes a 220,000 square-foot canopy that covers all supporters during the match, providing shelter from weather conditions throughout the season.

"As a Club that is committed to championing soccer in our community and growing the game we love, we feel privileged to host a tournament that is a staple of Ohio high school sports here at Lower.com Field," said former Crew President & General Manager Tim Bezbatchenko in 2021. "Having participated in Ohio high school soccer, hosting the final of this tournament resonates with me on a personal level. Historic Crew Stadium served as the venue for OHSAA state soccer championships for two decades, and we are proud to continue that tradition at our new home, where student athletes can experience what it's like to play in a professional, state-of-the-art, world-class venue."

"We are very thankful for the partnership with the Crew and their commitment to high school soccer in Ohio," said Doug Ute, OHSAA Executive Director. "We are so excited for the schools and communities to conclude their season and play for a state championship at these amazing venues."

OHSAA Board of Directors Approves Expansion Proposal

Soccer, girls volleyball, basketball, baseball and softball adding divisions starting in 2024-25

NEWS RELEASE – Ohio High School Athletic Association
For Immediate Release – Feb. 15, 2024

COLUMBUS, Ohio – After months of discussion and meetings around Ohio to gather feedback, the Ohio High School Athletic Association Board of Directors unanimously approved a proposal Thursday morning to utilize a new formula to determine how many divisions will be offered for postseason tournaments. The change affects OHSAA General Sports Regulation 17 and will result in girls and boys soccer now having five divisions, while girls volleyball, girls and boys basketball, softball and baseball will all have seven divisions. In those sports, Division I and Division II will only include 64 schools.

The new divisions will go into effect with the fall of 2024. The board will continue to discuss additional sports, noting several recent meetings regarding track and field. There are no changes to the number of football divisions, which is already at seven. In addition, any changes to the current deployment of the Competitive Balance process would need to be voted upon by OHSAA member schools during the annual referendum voting process.

Doug Ute, OHSAA Executive Director, praised the board's decision as a step toward to level the playing field of OHSAA tournaments.

"It's the right thing to do for the student-athletes who have been competing at this disadvantage," said Ute. "For too long, the largest schools in our divisions have been so much larger than the smaller schools in the same division, which has resulted in many schools accepting that they realistically have little chance at making a run in the tournament. In some of our sports, there have been more than 200 schools competing for a state title in that division, which is significantly more than what most other states do, and what we do in many of our own sports.

"We know that there is a lot of work to do in the coming months to prepare for additional divisions this fall," Ute said. "We have already started working on the details to accomplish this, but one thing we know for sure is that having two or three more state champions in these sports doesn't water them down or diminish winning a state title. And we anticipate that this new format will be revenue neutral, since every school makes the tournament already."

Each year, the Board of Directors would still have final authority in determining how many divisions to be used that school year, but the proposal calls for the following scale to be used to guide the board's decision on the number of divisions for girls volleyball, football, soccer, basketball, softball and baseball, however note that the sports of lacrosse, field hockey, ice hockey and boys volleyball would not change from their current division numbers:
199 or fewer teams: 1 Division; 200 to 299 teams: 2 Divisions; 300 to 399 teams: 3 Divisions; 400 to 499 teams: 4 Divisions; 500 to 599 teams: 5 Divisions; 600 to 699 teams: 6 Divisions; 700 and more teams: 7 Divisions.

For girls volleyball, soccer, basketball, softball and baseball, the largest 64 schools would be placed into Division I. The next largest 64 schools would be placed into Division II. The remaining schools would be divided as evenly as possible into the remaining divisions. The OHSAA already does something similar to this in football, in which the largest 10 percent of schools are placed into Division I and the remaining schools are divided evenly in Divisions II through VII.

The proposal does not call for a change to the formula that the OHSAA uses for individual sports to determine the number of student-athletes required for team designation, which includes five in bowling, five in cross country (who score for their team at the district tournament), four in golf, three in girls gymnastics, seven in swimming and diving, four in tennis, nine in track and field and seven in wrestling.

The proposal calls for the following number of divisions to be used for individual sports: 200 or fewer teams: 1 Division; 201 to 450 teams: 2 Divisions; 451 to 700 teams: 3 Divisions; 701 and more teams: 4 Divisions.

OHSAA member schools vote to determine any changes to the bylaws or constitution via the referendum process each spring. Member schools also vote for representatives for their District Athletic Boards, who are then selected to serve on the State Board of Directors on a three-year term. The Board of Directors are then charged with reviewing and approving the General Sports Regulations on behalf of the OHSAA membership. The OHSAA General Sports Regulations do not go to the member schools for voting and are posted at: https://ohsaaweb.blob.core.windows.net/files/Sports/GeneralSportsRegulations.pdf

Feed Your Game with Beef

OHIO BEEF COUNCIL

If there were a protein contest, beef would surely be crowned the king! Among the powerful package of 10 essential nutrients beef is known for, protein may be one of the most notable. In fact, one 3-oz cooked serving of beef provides 50% of your Daily Value (25 grams) of this important nutrient—making it an excellent source!

Protein supports strength!
Protein helps support strong, lean bodies. Eating enough protein-rich food is essential to help protect lean body mass and prevent the loss of muscle and strength associated with aging.

Get more from your workout!
Studies show exercise is more effective when paired with a higher-protein diet, and complete proteins, like beef, provided the amino acids necessary for muscle-building and recovery.

Aim for evenly distributed daily protein intake.

Enjoy a heart-healthy diet!
Heart-healthy diets with high-quality, lean protein help maintain normal blood cholesterol levels and normal blood pressure.

Dublin Jerome wins first state title in penalty-kick shootout

COLUMBUS, Ohio – Dublin Jerome junior Sean Dempsey scored in the seventh round of penalty kicks to give the Celtics a 3-2 victory over Cleveland St. Ignatius in the Division I boys soccer state championship Nov. 10 at Historic Crew Stadium.

Jerome (15-3-5) was making its fourth state tournament appearance and first trip to the state final.

St. Ignatius was making its 12th consecutive state tournament appearance and 21st overall. The Wildcats (18-1-2) had won the previous six state titles.

St. Ignatius got on the board first in the 27th minute with a goal from senior Nathan Gray, assisted by junior Matthew Smith. St. Ignatius held an 11-3 shot advantage over Jerome at halftime.

Less than two minutes into the second half, Jerome senior defender Brady Delmore headed in a goal off a corner kick from senior Crew Maust to tie it 1-1. Then, in the 46th minute, Delmore struck again on a cross from Maust to give Jerome its first lead of the match.

St. Ignatius responded in the 71st minute, when senior Sammy Trivisonno buried a shot from the right side of the box into the top of the net to tie it 2-2 and send the game to overtime.

In the first overtime period, St. Ignatius registered three shots to Jerome's none, but the best scoring chance came when Delmore appeared to score the game-winning goal for Jerome before it was waved off for offside.

The second overtime period saw 10 total shots, with St. Ignatius holding a 6-4 edge, but neither team could find the winner, sending the match to penalty kicks.

St. Ignatius shot first in the shootout and took a 3-1 lead after its fourth attempt, but a save by goalkeeper Mason Jestice, sandwiched between goals from Delmore and junior Jacob Dahi, extended the shootout.

After the sixth round ended scoreless, Jestice made another save, and Dempsey converted his kick to send the Celtics home as state champions for the first time in school history.

Jestice finished with nine saves, while St. Ignatius junior goalkeeper Johnny Mulloy made four.

The Wildcats outshot the Celtics 27-14 and held an 11-7 advantage in shots on goal. St. Ignatius finished with nine corner kicks to Jerome's eight.

It was the second meeting between the schools this season, St. Ignatius defeated Jerome 2-1 on Oct. 11.

Upper Arlington Wins First State Title in Second State Tournament Appearance

COLUMBUS, Ohio – After a scoreless first half, Upper Arlington claimed its first girls soccer state title in school history with a 1-0 victory over Cincinnati Seton Saturday night in the Division I state championship game at Historic Crew Stadium.

This was Upper Arlington's second appearance in the state tournament (2008). This was Seton's fourth appearance in the state tournament.

Upper Arlington senior midfielder Sophie Khelashvili scored at the 62nd minute of play off a penalty kick to put the Bears up 1-0 over Seton. Junior goalkeeper Alina Montero played the entire 80 minutes and had four saves.

Upper Arlington had five corner kicks to Seton's four. Both teams had four shots on goal.

This was Upper Arlington's second appearance in the state semifinal, the first being in 2008 where its season ended in the regional tournament.

Division II

Whitehouse Anthony Wayne Wins First State Title with a Hat Trick

COLUMBUS, Ohio – Whitehouse Anthony Wayne claimed its first state title in school history after defeating Hudson 3-2 in the 2025 OHSAA Girls Division II State Championship game at Historic Crew Stadium.

Anthony Wayne senior midfielder Lydia Smucker had a hat trick by scoring all three of Anthony Wayne's goals. The first in the eighth minute of play Smucker scored at the bottom center of the goal to put the Generals up 1-0. Nine minutes later Smucker scored again off a corner kick to bring the Generals up 2-0. Hudson retaliated in the 37th minute of play by sophomore midfielder Hannah Meese, decreasing the deficit to be 2-1.

Smucker's final goal to complete her hat trick was seven minutes after halftime scored at the bottom right corner leading the Generals 3-1.

Hudson senior defender Chloe Bigham scored at the 66th minute of play, resulting in the final score being 3-2.

This was Anthony Wayne's fourth appearance in the state semifinals (2025, 2021, and 2020) with their first year, in 2019, ending their season as state runners-up.

Anthony Wayne senior goalkeeper Katie Carr played the entire 80 minutes and had a total of nine saves.

Division III

Bay Village Bay Takes Home Second-Consecutive State Title

COLUMBUS, Ohio – Bay Village Bay claimed its fifth soccer state title and second consecutive after defeating Hamilton Badin 1-0 in the 2025 OHSAA Girls Division III State Championship game at Historic Crew Stadium.

Bay freshman forward Meg Webster delivered a strike in the 10th minute of play to put the Rockets 1-0 over Badin. Junior goalkeeper Olivia Ruma played 40 minutes, having three saves and zero goals allowed.

Badin junior defender Danielle Birri, senior forward Braelyn Even, and sophomore forward Bella McFarland each took shots on goal. Senior goalkeeper Blake Sakach played a full 80 minutes and had one save.

This was Bay's 10th appearance in the state finals. Five years have resulted in state championships (2025, 2024, 2003, 2002, 1999) and one year as state runner-up (2018).

Division IV

Cincinnati Summit Country Day Rides Strong Second Half to Title

COLUMBUS, Ohio – Cincinnati Summit Country Day scored four second-half goals to defeat Gahanna Columbus Academy 4-0 in the Division IV girls state final, capturing its third-consecutive state title on Nov. 7 at Historic Crew Stadium.

Summit Country Day outshot Columbus Academy 23-0 and had four corner kicks to none for Columbus Academy.

After a scoreless first half, Summit Country Day wasted little time breaking the tie. Senior forward Carolyn Federle scored just 14 seconds into the second half. Three minutes later, freshman forward Aubrey Blakely found the net, assisted by Mia Stevens, giving the Silver Knights a 2-0 lead.

Stevens, a senior midfielder, added two more goals in the 55th and 75th minutes to seal the victory for Summit Country Day.

Columbus Academy senior goalkeeper Taylor Gillett made six saves.

Summit Country Day's win marks its sixth state championship, moving the school into second place for most girls soccer titles in state history.
