### Bylaw 4-7-6, Intra-District Transfer

This document will focus on the language within Bylaw 4-7-6, Intra-District Transfer. The bylaw reads as follows:

**4-7-6** *If a student transfers between high schools within the same public school district, the student may have his/her eligibility restored by the Executive Director's office provided the following conditions have been met:*

- 1) — *The student has been reassigned to the high school by the superintendent, or other administrative authority of that school district, as a result of a) redistricting, b) a material change in transportation circumstances so as to create a hardship or c) a specific change of academic program, the details of which shall be clearly stipulated to the Executive Director's Office; and*
- 2) — *The reassignment takes place either a) after the conclusion of the previous school year and prior to the beginning of the current school year and the student commences enrollment and attendance on day one of the current school year; or b) at the district's semester break and the student commences enrollment and attendance on day one of the next semester; and*
- 3) — *The superintendent, or other administrative authority of the district, petitions the Executive Director's office for the restoration of eligibility for the student no later than 15 school days after the beginning of the school year/after the beginning of the new semester; and*
- 4) — *The superintendent, or other administrative authority of the district, certifies that the transfer is not being done for athletic reasons; and*
- 5) — *The student becomes ineligible beginning with the second 50% of the maximum allowable varsity regular season contests until declared eligible by the Executive Director's Office under this exception.*

*Note 1: Change in academic program requests will have no application for seniors. Furthermore, this change in academic program transfer option shall only be available one time during the student's high school career. A student who subsequently withdraws from the academic program to which he or she has been assigned shall be declared immediately ineligible and may be subject to sanctions in accordance with Bylaw 11.*

*Note 2: Notwithstanding condition #2, if a material change in transportation circumstances creates an immediate hardship for a family, then the school district may reassign the student at any time throughout the course of a school year and still petition the Executive Director's Office for a ruling, subject to Bylaw 4-7-3.*
