SPECIAL PERMIT REQUEST – Waiver to Uniform

Please complete and return to Doug Ute at dute@ohsaa.org

NFHS Basketball rules and OHSAA regulations permit schools to request a waiver to the Uniform Regulations in the NFHS Basketball Rules Book. The waiver is granted one time per season for schools participating in a contest conducted for a specific cause, such as but not limited to Breast Cancer Awareness events. Upon approval, the waiver will permit schools to wear an alternate colored jersey or socks that may include the sponsoring event's logo but will still require all teams to meet the 'number requirements' outlined in Article 3 (a) of Rule 3, (6" player unique numbers on back of jersey). **Please make sure the jersey and/or socks contrast the jerseys/socks of opposing team.**
