Please complete and return to Kelly Schoenly at kschoenly@ohsaa.org

OHSAA regulations permit schools to request a waiver of General Sports Regulation 7.2.2 – Participating on Non-School Teams. The waiver, permitting non-intercholastic participation during the school season once a student has participated on the school team, may be granted up to two times per school season. Each waiver is good for one event. To be considered one event, all play in the event must have an established start and end date not to exceed 7 consecutive days. **No waivers will be granted for events taking place after February 1, 2027. This waiver request must be submitted by a school administrator. NO waivers from a coach, student, or student's parent(s) will be acknowledged.**
