

# AD SCOOP

Kathleen Coughlin, CAA  
Director of Sport Management

December 20, 2019  
Issue #4

## Ticket Forms

*Your winter state ticket order forms are on their way*

- Checks should be made out to **The Ohio State University**
- Checks and applications are to be returned to The OHSA, 4080 Roselea Place, Columbus, OH 43214
- December 23<sup>rd</sup> is a 'soft' deadline, but please get these in the mail by January 3<sup>rd</sup>
- We are hopeful that we can become more efficient with our ticketing process and are working on online solutions

## NFHS Survey

Please take a few minutes to complete the NFHS survey below. The goal of this survey is to increase brand awareness for the NFHS and ultimately, enhance the brand that we work with every day to further benefit our member schools, administrators, educators, officials and, most importantly, our students.

[NFHS Learning Center Survey](#)

## Ejection Report

Wrestling: 7 ejections, all players. Well below this time last year when there were 22 ejections by this point in time, 3 of them coaches

Ice Hockey: 16, all players. Down from 23 at this time last year, also no coaches.

Basketball: 50, including 14 coaches. Down from 72 last year total, which included 17 coaches.

## POSITIVE Sportsmanship Report

Attached to the email, you will find a sportsmanship report that I hope you will share with your 'constituents' (athletes, coaches, parents and community members). There is currently a method to submit 'Sportsmanship Reports,' but they are through the myOHSA platform, which limits who can fill them out. 85% of these reports currently come from officials, and over 70% are negative in nature (pointing out poor sportsmanship). While we value this feedback, and always follow-up on issues that need addressed, THIS form is to point out all the amazing acts of sportsmanship that are happening every day. This form will be located on each sport page, and as the new year dawns, I am hopeful that this report will serve as another way we can highlight the positives in different communities across the state. The 20/20 vision of the new year will be filled with positive solutions and continued growth.

# HAPPY HOLIDAYS!

*Wishing you a relaxing Holiday season and Happy New Year!*

*OHSA's Mission is to serve our member schools and enrich interscholastic opportunities for students.*
