myOHSAA Special Presentations

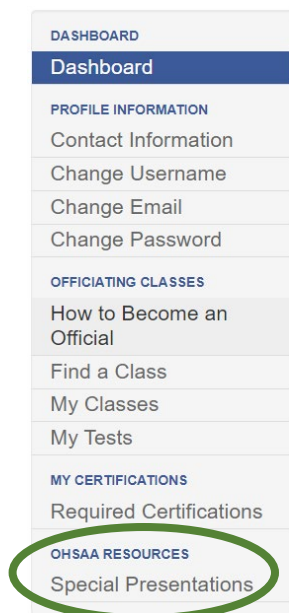

To: All OHSAA Member Schools' Superintendents, Principals and Athletic Administrators
From: Jerry Snodgrass, Executive Director

Good afternoon! We hope you enjoyed your holiday weekend. During these past couple of weeks, our office has been working to modify several of our processes to enhance the experiences of our constituents. One of these enhancements has come in the form of a '**Special Presentations**' section in myOHSAA. This section will contain videos and surveys that can be accessed by you at any point. Currently, there are two items within this section.

The first piece of content is our '**2019-20 Athletic Discussion Meeting**.' This video will take the place of the annual meetings that are used to discuss upcoming referendum items. We are transitioning to an online presentation due to the stay at home orders that are in place due to the COVID-19 pandemic. Besides information on the upcoming referendum issues, the presentation will include other important OHSAA updates and reminders. We ask that you please access this meeting prior to the start of voting on May 1, 2020.

The second item within the 'Special Presentations' section is a '**Administrators Workshop Survey**.' The survey will allow us to gain information on how to better serve you during our annual Administrators Workshop. Please take the time to provide us with valuable feedback from now until May 1, 2020.

The 'Special Presentations' link can be accessed through two sections within myOHSAA. The first is through your personal 'Dashboard.' You will see the link in the left-hand navigation pane of myOHSAA under 'OHSAA Resources.'

The second place you can access the link is through the school's account. After accessing the school's account through the 'Schools' icon in the upper right-hand corner of myOHSAA, you will see the link in the left-hand navigation pane under 'OHSAA Resources,' located at the bottom of the pane.

If you have any questions regarding these presentations or accessing the Special Presentations link, please reach out to membershipservices@ohsaa.org. Thanks so much, and stay safe during these times.
