## OHSAA To Host Regional Update Meetings in August and September

After a few years of postponements due to the COVID-19 pandemic, the Ohio High School Athletic Association will be hosting in-person Regional Update Meetings in August and September. The dates and sites for the six meetings within each OHSAA athletic district are listed below.

The OHSAA Regional Update Meetings are designed to help kick off the 2022-23 school year and provide member school administrators with updates on current topics and issues. Superintendents, high school principals, high school athletic administrators, 7th-8th grade principals and city supervisors are highly encouraged to attend. There is no cost to attend the meetings, which will last approximately 90 minutes and begin at 10:00 a.m. Executive Director Doug Ute and other OHSAA staff members will make presentations and are happy to stay afterwards to answer questions you may have.

**School administrators are asked to coordinate their registration efforts through the high school athletic administrator.** He/she will be emailed a link to register on-line. An email will be returned to athletic administrators to inform them that their registration has been received.
