Ohio High School Athletic Association Technology Update

Extracting Your Data in Existing Scheduling and Assigning Software

Since sharing yesterday that the OHSAA will be transitioning to DragonFly Athletics as a technology solution for the 2023-24 school year beginning July 1, 2023, we have received some questions from member schools with respect to capturing data from existing scheduling and assigning software. As a courtesy, we have posted instructions for extracting data here:

As a reminder, administrators are highly encouraged to participate in a virtual meeting hosted by the OHSAA and DragonFly to provide updates on the move to DragonFly and to answer questions on **Thursday, May 11, at 8:30 a.m.** To register for that meeting and receive your link, please use this link: <https://www.ohsaa.org/meetings>.
