OHSAA To Host Athletic Discussion Meeting in April and May

The 2023 Ohio High School Athletic Association Athletic Discussion Meetings have been finalized with the dates and locations for the six meetings listed below. OHSAA Director of Compliance Kristin Ronai will review the 2023 referendum issues and Executive Director Doug Ute will discuss a few topics of current interest to administrators involved with or interested in the school's interscholastic athletics program. Meetings will last approximately two hours, and there is no cost to attend.

The meetings are intended for superintendents, high school principals, high school athletic administrators, 7th-8th grade principals and city supervisors. Attendance by at least one school administrator is highly encouraged, and attendance is limited to four from each school/school district.

School administrators are asked to coordinate their registration efforts through the high school athletic administrator. He/she will be emailed a link to register on-line. An email will be returned to athletic administrators to inform them that their registration has been received.
