OHSAA To Host Regional Update Meetings in August and September

The 2023 Ohio High School Athletic Association Regional Update Meetings have been finalized with the dates and locations for the six meetings listed below.

The OHSAA Regional Update Meetings are designed to help kick off the 2023-24 school year and provide member school administrators with updates on current topics and issues. Superintendents, high school and 7th-8th grade principals, high school and 7th-8th grade athletic administrators and city supervisors are highly encouraged to attend. There is no cost to attend the meetings, which will last approximately two hours and begin at 10:00 a.m. Executive Director Doug Ute and other OHSAA staff members will make presentations and are happy to stay afterwards to answer questions you may have.

We ask school administrators to coordinator their registration efforts through the high school athletic administrator. They will be emailed a link to register on-line. An email will be returned to athletic administrators to inform them that their registration has been received.
