## • OHSAA and The Ohio State University Coach Beyond Program Updates

### Hosting Great Tryouts: Tips from Coach Beyond

Tryouts can shape an athlete's entire experience. So how do you get them right? Coach Beyond has a short training sharing insightful ideas on best practices for tryouts. From designing an effective evaluation process to setting transparent selection criteria and communicating decisions with care, this session offers tools every coach can use. Watch it here: [www.youtube.com/watch?v=EpiLj\\_mm7cA](https://www.youtube.com/watch?v=EpiLj_mm7cA).

### Support the Ohio Coach Survey Wave II

The OHSAA and The Ohio State University Coach Beyond Program are conducting a coaches' study to examine the training needs, interests and practices of Ohio coaches. Whether paid or volunteer, coaching young children or adolescents, working in schools, community programs, developmental leagues, or competitive clubs, the perspective from coaches matters. **Please forward the link to this voluntary survey to your coaches.** Their insights will help improve resources for coaches across the state. Any coach over age 18 is eligible. All perspectives are valuable. Thank you for helping strengthen youth sport in Ohio! The survey is available here: <https://go.osu.edu/ohiocoachsurvey>.

**About Coach Beyond:** In 2021, the OHSAA and LiFesports at The Ohio State University started collaborative work to change the landscape of coach training and education in Ohio. Ultimately, this partnership grew into a statewide initiative known as Coach Beyond. Over the last four years, a team of coaches, athletic administrators, OHSAA administrators and LiFesports leaders set out to audit coaching education, conduct a statewide needs assessment, design and pilot trainings and ultimately train 15,000 coaches by June 2024. That training of coaches, which goes beyond the X's and O's, has exceeded that goal and we have reached over 52,000 coaches in Ohio. Congratulations to everyone on the state team, LiFesports and the OHSAA!

## REMINDERS

## • Mandatory Boys Basketball Online Rules Meetings Requirements

Please remind your boys basketball coaches that they have a mandatory on-line rules meeting requirement. Rules meetings are posted in FinalForms, and details were sent from the OHSAA Sport Management team to coaches. The deadline date for boys basketball coaches to complete the course is Monday, Feb. 9, by 11:59 p.m. A late fee will be charged since the original deadline date has passed. For questions, contact OHSAA Basketball Administrator Doug Ute ([dute@ohsaa.org](mailto:dute@ohsaa.org)) or staff member Michael Cornathan ([mcornathan@ohsaa.org](mailto:mcornathan@ohsaa.org)).

### • OHSAA Scholarship Program Information Emailed

Athletic administrators were sent information via email (and principals were copied) on the process to begin nominating qualified senior student-athletes for an OHSAA Scholar-Athlete Scholarship. Each school may submit only one male, one female, one male ethnic minority and one female ethnic minority candidate for scholarship consideration. Recipients of any athletic scholarships (full or partial) in NCAA Division I or II institutions or appointees to military academies are not eligible. The on-line application process includes information being entered by a school administrator (principal or athletic administrator), the student and a school guidance counselor. To ensure that emails do not get trapped by firewalls/sent to a spam folder, this year's process again includes the school administrator emailing student candidates directly with the application information.

**IMPORTANT NOTE ON THE OHSAA SCHOLAR-ATHLETE PROGRAM:** Please note — and remind your students and parents — that the OHSAA has two (2) separate scholar-athlete recognition opportunities. Besides the Scholar-Athlete Scholarship Program outlined above, in which a \$1,000 monetary award is provided, each member high school has the opportunity to present a senior male and a senior female with an OHSAA Scholar-Athlete Award, a certificate which exemplifies the commitment to academic excellence while participating in interscholastic athletics and is generally presented during the school's senior assembly in the spring. While each honor is important, these awards are different since not every member school will have a scholar-athlete scholarship recipient, but each school has the opportunity to present two OHSAA Scholar-Athlete Awards.

### • State Basketball Tournaments Ticketing Information

Athletic administrators were sent information last week about the digital ticketing purchase process for the state girls and boys basketball tournament through the OHSAA's digital ticketing partner, Hometown. The window for schools to order tickets will be open for a week prior to tickets going on sale to the general public.

Each OHSAA member school has access to purchase up to eight (8) Finals Package and Semifinals Package tickets for the girls state tournament AND eight (8) Finals Package and Semifinals Package tickets for the boys state tournament. Those eight tickets can be located together. Each school this week will be provided with ONE presale code that works for both girls and boys tournament tickets. Purchasers have the opportunity to click on and select their seats from a seat map of the University of Dayton Arena. Tickets for Wright State University's Nutter Center and Vandalia Butler High School are general admission. All-session ticket sales will end on Mar. 8 for the girls tournament and Mar. 15 for the boys tournament or until your school's pre-sale code has been used to purchase your eight (8) all-session tickets. Ticket Packages and center court club ticket sales for the public begin Wednesday, Feb. 11. Single-game tickets for the state finals go on sale Monday, Mar. 9 (girls) and Monday, Mar. 16 (boys).

The championship games for the 2026 state basketball tournaments will again all be held at the University of Dayton Arena, with the girls on Friday and Saturday, Mar. 13-14, and the boys on Friday, Saturday and Sunday, Mar. 20-22. The girls state semifinals will be held Mar. 12-13 at either Dayton, Wright State or Butler, and the boys state semifinals will be held Mar. 19-21 at either Dayton or Wright State. For questions, including the steps to claim tickets, contact OHSAA Customer Experience Manager Claudia Markoff at [cmarkoff@ohsaa.org](mailto:cmarkoff@ohsaa.org).

See the schedules for the 2026 state basketball tournaments on page 1 of this newsletter.
