4. Winter Sports Tournament Evaluations

- a. Gymnastics – Michell Fox - Placement of individuals was a concern and the coaches want to go to three sessions instead of two.
- b. Swimming and Diving – Jon Reidler – Main complaints are being at the tournament site all day with not enough room on the pool deck. Cannot be at OU next year will be at OSU on Thursday and Friday. TKDS did not do a good job for Central District did not do a good job of following up and did not have working broadcast equipment. Would like a larger facility coaches would like to use UA solely but that is not feasible. Final Forms is not up to date for head coaches in the participation report. Green light to use OSU for next year. Jon feels that if OHSAA communicated with the AD's it would be less of a challenge to find the coaches or at list have them listed as oppose to him emailing the AD's. It is acknowledged that Final Forms needs to be fixed or helped to correct this issue.

6. Board of Directors Report (Warner) – Softball coaches association had 85% responded to go to RPI and the legislative updates on NIL to repeal the referendum just passed. One time transfer to anywhere, there are some states that are allowing this and it has been a disaster. To exclude exclusive rights to broadcasting. There is also legislation that would allow students to move to another school that has a sport not offered at their home school.
7. All Boards Committee Report (Shively) - Nothing to report
8. Liaison Reports –
- a. Baseball – Coaches happy to move draw back to Sunday from Monday.
  - b. Basketball – Tournament went well no negative feedback meeting with association on May 5; they want a shot clock and concern for RPI calculations concerning out of state opponents. They may want to move to MaxPreps. May want to adjust times if feasible to see more games for fans at the state tournament.

  - i. Swimming/Diving – Sooner that we can get sites locked in the better may have an issue with CSG and CA hosting. Parking at Worthington may be back in the picture if the parking is back to normal

- j. Tennis - Nothing to report
- k. Track - Nothing to report
- l. Volleyball – Still looking for sites secured for the fall.
- m. Wrestling – Looking for a site to host all three divisions of the State dual tournament. May not work due to club hockey tournaments. Could be other facilities there that they could use.
