8. Board of Directors Report (Warner) – No meeting since last month, since that time discussion on Alabama separating public and private schools, Executive Director has sent out data on champions from public schools and private schools. Further discussion will continue to take place since this is beginning to happen across the country. No discussion has taken place about Ohio moving or how the structure might look per division and per sport. Two positions in the office to Scott Kauffman and Andy Bixler offered by the OHSAA, the responsibilities will include those of retiring Bob Goldring and some compliance responsibilities. These responsibilities may increase over time based on future retirements. Lakota and Princeton had a \$55,000 gate with a cost to Xavier of \$11,000 for the game. Possible referendum may come about having a student move to another district that provides the sport that the student would like to play, no formal discussion has taken place concerning this issue. NIL issue with legislation wanting to deny this practice in Ohio. Walt Skaggs may go into early retirement and may have to leave the Board and appoint a new member from the East District.
