Origin of the Ohio School Athletic Association*

The following information was taken from an article written by Fred Dafler titled, "Brief History of the Ohio High School Athletic Association." (Date of publication unknown.)

"The impetus for the founding of the Ohio High School Athletic Association came from the Western Ohio Superintendents Round Table as a result of discussions in the 1890's and early 1900's. At the March, 1908, meeting of the Round Table, a resolution was adopted to appoint a committee headed by George R. Eastman of Steele High School in Dayton."

The first meeting of the first Board of Control was held in Columbus on November 9, 1907 with George R. Eastman, Dayton, President, W.H. Rice, Chillicothe, Secretary-Treasurer, William McClain, London, S.H. Layton and F.C. Kirkendall, Piqua, present. On May 23, 1908, the first state championship (track and field) sponsored by the OHSAA was held at Beaver Field, Denison University, Granville. The First State Track and Field Tournament involved over 100 entrants from 23 of the 30 member high schools. Columbus North was crowned the first champion with 19 points to 16 points for Dayton Steele.

The OHSAA started with five districts in 1907, but soon changed to six districts in 1908.

Until 1925, the business affairs of the OHSAA were handled by the Board Control officers. In 1925, H.R. Townsend was employed as full-time Commissioner.

The OHSAA has had nine commissioners. H.R. Townsend 1925-1944, Harold Emswiler 1944-1958, W.J. McConnell 1958-1963, Paul E. Landis 1963-1969, Harold A. Meyer 1969-1977, George D. Bates 1977-1980, Richard Armstrong 1980-1989, Clair Muscaro 1990-2004, Dan Ross 2004 to present.
