If an individual is diving, that individual may only be entered and compete in a maximum of one (1) individual swimming event at the Sectional Meet.

NOTE: Coaches are responsible for checking their online entry submission and may make changes after the deadline for submission, only with the payment of a \$150 fine and approval of the OHSAA, and only up until the date and time that the first psych sheets are publically posted to a District Athletic Board web site. Sectional Psych Sheets will be posted on the CDAB site at 6:00PM on February 5, 2020.

No changes to the entries for any school shall be permitted after the posting of the first psych sheet with the exception of students who must be withdrawn due to medical reasons verified by a physician. A substitute may replace the injured/ill athlete provided the substitute is listed on the eligibility certificate, has not exceeded the entry limitations as prescribed by NFHS rules and is submitted to the tournament manager NO LATER THAN 7:00 AM of the first day of sectional competition. After that time, no substitutions will be accepted. It is not permissible to replace the injured/ill student with a student who has already been entered into the tournament in two individual events.

Entry cut-off times will not be used.

Each School shall be permitted four (4) entries in each individual event and one (1) entry in each relay event.

An individual may be entered in no more than two (2) individual events. At the coaches meeting, no additions/substitutions shall be made. Diving counts as one of the individual swim events.

An individual shall be permitted to participate in a maximum of four (4) events, no more than two (2) of which shall be individual events.

A school that actually competes in at least two (2) interscholastic meets, as a school team prior to the non-interscholastic cutoff date of **January 20, 2020** is eligible for

relay event entry at the Sectional/District Tournament regardless of the number of individuals entered and competing.

In relay events, eight (8) individuals may be listed as entrants; any four (4) may participate. Certification in the relay shall not count as an entry unless the individual actually competes in the event. These eight (8) contestants may be changed at each level of tournament competition provided participation limitations are not exceeded.

By entering a diver into the competition, the coach is verifying that the diver has competed in an 11-dive championship competition at least once during the regular season and is affirming that the diver is capable of performing an 11-dive championship slate.
