DIVING ENTRIES:

All diving entrants must be entered on the **Sectional Swimming & Diving Entry Form**. This is submitted by swim coaches. Please make sure to communicate to your schools swim coach which of your divers should be included on that entry form. All dive sheets must be submitted to the Head Dive Referee, Melanie Ryan, by **12 Noon, Monday, February 7, 2022**. **All divers submitted on the Sectional Swimming and Diving Entry Form, must have competed in an 11 dive meet during the 2021-2022 season.**

Each school may enter a maximum of 4 divers in each diving event (4 girls and 4 boys). The diving event counts as one of the two individual events in which an individual may compete. If an individual is diving, that individual may only be entered and compete in a maximum of one individual swimming event in the Sectional Meet.

No diver will be entered unless their diver is entered on the OHSAA official tournament entry form and submitted with the swim entries. Diving sheets will not be accepted the day of the meet. Diving sheets must be submitted electronically to Head Dive Referee,

Melanie Ryan, by Noon, Monday, Feb. 7, 2022. Diving sheets may altered up to one hour before the meet.

All diving entries must be submitted electronically using “Ediver” and submitted to melryan1029@yahoo.com no later than Monday, February 7, 2022 by 12 Noon. Entries received after 12 Noon on Monday, February 7, 2022 shall not be accepted.

If your school uses edive, please send a text (.TXT) file of your entries to Melanie Ryan at melryan1029@yahoo.com. Please do not send database files, as the tournament site is unable to process those types of files.

If your school does not use edive, or you are unable to send a text file, there are two options:

Please be sure to follow-up with Melanie to make sure the information was received.

2. You can send an email directly to Melanie (melryan1029@yahoo.com) with your diver entry information; which includes diver's name, school, and diver numbers. Each piece of information should be separated with a comma, make sure you are accurate with your entries, and that the voluntary dives are noted with a “V” following the diver number.
