The Sectional Meet will be for swimming competition only. All diving competition will be held between February 13, 2022 and February 16, 2022 at a location to be determined. **However, all diving entries are to be submitted electronically by using the “edive” software. This electronic program may be found by going to: <http://www.edive.info/index.htm> Diving Coaches shall submit their electronic entries via “edive” by 12 Noon, Monday, Feb. 7, 2022 to Melany Ryan-(email shown above).** **The diving event counts as one of the two (2) individual events in which a swimmer may compete. If an individual is diving, that individual may only be entered and compete in a maximum of one (1) individual swimming event at the Sectional Meet.**

NOTE: Coaches are responsible for checking their online entry submission and may make changes after the deadline for submission, only with the payment of a \$150 fine and approval of the OHSAA, and only up until the date and time that the first psych sheets are publically posted to a District Athletic Board web site. Sectional Psych Sheets will be posted on the CDAB site at 6:00PM on February 9, 2022.

No changes to the entries for any school shall be permitted after the posting of the first psych sheet with the exception of students who must be withdrawn due to medical reasons verified by a physician. A substitute may replace the injured/ill athlete provided the substitute is listed on the eligibility certificate, has not exceeded the entry limitations as prescribed by NFHS rules and is submitted to the tournament manager NO LATER THAN 7:00 AM of the first day of sectional competition. After that time, no substitutions will be accepted. It is not permissible to replace the injured/ill student with a student who has already been entered into the tournament in two individual events.

Entry cut-off times will not be used.

Each School shall be permitted four (4) entries in each individual event and one (1) entry in each relay event.

An individual may be entered in no more than two (2) individual events. At the coaches meeting, no additions/substitutions shall be made. Diving counts as one of the individual swim events.

An individual shall be permitted to participate in a maximum of four (4) events, no more than two (2) of which shall be individual events.

A school that actually competes in at least two (2) interscholastic meets, as a school team prior to the non-interscholastic cutoff date of **January 24, 2022** is eligible for relay event entry at the Sectional/District Tournament regardless of the number of individuals entered and competing.

In relay events, eight (8) individuals may be listed as entrants; any four (4) may participate. Certification in the relay shall not count as an entry unless the individual actually competes in the event. These eight (8) contestants may be changed at each level of tournament competition provided participation limitations are not exceeded.

By entering a diver into the competition, the coach is verifying that the diver has competed in an 11-dive championship competition at least once during the regular season and is affirming that the diver is capable of performing an 11-dive championship slate.

Coaches have already received an information sheet with instructions about the electronic entry system at the mandatory interpretation meeting. This information is also posted on the OHSAA web site at www.ohsaa.org. Tournament event files for the tournaments are located on the OHSAA web site. Schools will download the appropriate tournament event file based on the Boys Division or Girls Division.

“**Eligibility Certificates**” covering all students are no longer required to be sent to the sectional meet manager; however, the information should be available if needed.

All competitors must be listed in the events the competitor will be swimming. Additions/deletions/changes will not be made after February 7, 2022.

Entry times must be listed in the events the competitor will be swimming. If a competitor or relay does not have an entry time, they shall be entered with a “no time” (NT) designation.

Do not use any “nicknames”.

Do not enter your relay SWIMMERS NAMES. You will enter relay names at the Sectional coaches meeting.

Enter a separate file for the girls’ entries and a separate file for the boys’ entries.

All entries must be entered with the school’s OHSAA code. The school code is found on the www.ohsaa.org site.

Failure to have the required forms to the meet director on the stated date and time will result in the school and its competitors being disqualified from further tournament competition. **The deadline is February 7, 2022 for the electronic Swimming/Diving entries.**

The official coach/school representative must be with their team/swimmer(s) at all times. This includes the entire warm-up period and all competition. If it is determined that the coach/representative is not in attendance at any time, the team and all of the swimmers/divers shall be disqualified from further competition.

Coaches/representatives are to pick up admission passes at the main entrance to their respective natatorium. Competitors will be admitted to the warm-up session only upon presentation of these passes. Only the designated coach will be permitted to receive the competitor's passes. Non-competing team members, cheerleaders, timers, stats, etc. are not permitted entry into the venue.

There will be team scoring, but team and individual awards will not be presented.

COVID PROTOCOL

Similar to last year, there most certainly will be a COVID Protocol in place for the safety of everyone in the venue. The state of the situation is very much dynamic; thus, documents regarding the rules of the venue will be sent out nearer the date of the meet to insure that we have the most up to date document possible.
