## Division 2 Swimming - February 16, 2023

## **Event Alternates**

We posted alternates on the psych sheet to help identify athletes and teams who *might* get the call to compete if someone scratches out of an event. The cutoff is Wednesday at noon. At that point, the competition field will be set. Any scratches after Wednesday at noon will result in an open lane. We can review this approach for next year.

## Warm-up and bleacher assignments

Each team is assigned to a bleacher based on the warm-up counts from Meet Manager.

Warm-up counts include any individual qualifier plus any relay-only athletes competing at sectionals.

There are 22-25 athletes per bleacher. Bleacher letter I

has a few more athletes because of the extra space around that bleacher.

Every team will share with another team(s).

See below for details on ticket counts and replacement relay-only athletes.

Each bleacher will have a 30 minute warm-up using two assigned lanes. This means about 11-13 athletes per lane.

There is 20 minutes of open warm-up at 2:00.

## **Deck Entry Ticket Counts**

You ticket count will match the Total column on the following sheet.

You MAY swap out your ticket of one relay-only athlete for another relay-only athlete. (ex. Susie swam the relay at Sectionals and is sick today, now Pam is taking her place.)

IF you have an <u>alternate relay-only competitor</u>, they may purchase a spectator ticket (on-line) to sit in the stands.

<u>Should you need to use said alternate relay-only competitor</u>, we will take their name with a coaches signature. Post-meet we will confirm the athlete competed. Those teams bringing athletes on deck who do not compete will be referred to the Athletic Director and Central District Athletic Board.

For spectator tickets who end up competing, the individual may request a refund of spectator admission through refunds@ohsaa.org
