III. Fall Sports Reps Meeting via Zoom

A. Volleyball: Abbey Mast: Claymont/Sarah Lowe: Beaver (9:00 am - 9:15 am)

- 1. When Selecting District Sites please take in consideration the ceiling height**
- 2. Send officials consistent warmup times. Some do it differently. Told all times are listed by the State.**
- 3. Since everyone plays on the same night can we require exchanging of film from HUDL? Told the rep this has to be a coaches Assn request.**
- 4. Can we play on different nights so we don't have to play doubleheaders early. Some schools lose opportunities to play at home. We will look at brackets but Coaches Assn. have to make all coaches aware as some might not have the same amount of time to prepare for the next opponent.**
- 5. Can we start the first game of the doubleheader at 5:30pm. Told rep some schools have major bus issues and might not make it at such an early time.**

B. Cross Country: Doug Joy: John Glenn, Dugan Hill, Ed Lidderdale (9:15 am - 9:30 am)

- 1. Worried about the amount of time it took to present awards. Was over an hour and a half after the race was completed.**
- 2. Appeal process was drawn out too long.**
- 3. Will find out if results can be sent to coaches phone immediately after the race and then have 15 mins to appeal. Will work with officials and site manager**
- 4. Board will meet with the site manager about a few issues before next year.**

C. Soccer: Dave Kridler: River View (9:30 am - 9:45 am)

- 1. Very upset how the Div. 3 Boys and Girls were taken away from us at such a late notice. Board will communicate to the State Office to see if we can host our own Sectional.**

2. Hiland's coach sent an email to the State office explaining how important Sectional and District Championships are to certain schools.

D. Golf: Kevin Smith: Cambridge/Jimmy O'Donnell: Dover (9:45 am - 10:00 am)

1. No complaints on Sites

2. Understood our district did not meet the requirements to have a rep and needed to combine with other districts. But would like to still have a local Sectional.

3. Felt the Iwannamaker App was so wrong to throw it out so late and expected to be used. Not enough information was sent out to all the coaches on how it works and when it was required to be used. Coaches still need information on how to use it and still are not comfortable using it.

E. Fall Rep discussion
