III. List of items to discuss with the group time permitting

1. Better Seed will host beginning this Fall in every bracketed sport (Except Basketball) this year thru the District Semi Finals. Only the District Finals will be played at a neutral site. Basketball will remain as before: Better Seed hosts during Sectionals and all District games (Semi/Final) will be played at a neutral Site.

2. New Drawing penalties will begin this Fall: If you do not enter your A: Record and comments by Wednesday of draw week or B. Vote for Seeds by Saturday at noon of draw week, your school will receive an additional penalty of losing your highest vote. And Loss of hosting a game where better seed hosts. Currently after voting, each school has their highest and lowest removed for offset bad uninformed voters. But now if you don't complete either step before the draw you will have an additional highest vote taken away, which could move your seed down two or three seeds. Lack of completing the first two phases will have added fine of \$50.

3. If you do not show up for the drawing, your school will be placed on the bracket at the last spot on the bracket and you will lose the opportunity to play any home games in the tournament. Which includes if you would have been designated the home team in Baseball and Softball. Plus a fine of \$150.

4. Schools being able to pass. Beginning this Fall, the only teams who can pass will be the amount of District Champions. So if we have only 1 rep to Regional then only the top seed can pass. If we have two reps to regionals, then we can have the top two teams can pass

5. Cash and on line at high schools, On line only at sites not at a high school owned facility (Golf, Bowling, ECO Center, Etc).

6. Ticket prices: Adults: \$10 and Students: \$5 for Sectional and Districts.
