

2022 Coaches Sectional General Information Sheet

Another crazy year it has been but I am excited and honored to manage the gymnastics tournaments this year that will be held at Hudson High School and Mentor High School. If at any time during the meet(s) you have questions, please feel free to contact me. I have been very fortunate to have the help of many people during this transition so to all of you, THANK YOU! I have some big shoes to fill so please bare with me! As always, the goal is to make this a successful and memorable experience for you as coaches, the spectators, and most importantly, the student athletes.

Changes

1. A hospitality room will be available for coaches. We will still have a concession stand for all spectators.
2. The commons will be available for athletes to use during the lunch break. Parents may set up at a table for their athletes.
3. My girls and I have decided to make posters for each team. When you walk into the aux gym, the posters will be hung up against the wall and that will be your schools designated area throughout the day.
4. There is no spectator limit but masks are required.
5. Please follow the same OHSAA guidelines as you have throughout the season.
6. Since we will only have one session each day, awards will be given out at the end of the meet.

Other Information

1. Please bring your own spring board and collar. We will have extra there but with us being separated into 2 gyms, it will be harder to share equipment.

2. Midwest Gym supply will be supplying our equipment for both the sectional and district tournament. Please feel free to bring any additional matting that you may need for your athletes.
3. We will be using capitol cup format. You will warm up in the aux gym, then head to the main gym for touch and competition.
4. The top 12 individuals and top 4 teams will advance to the district tournament on Saturday February 26.
5. For the district meet, if you have individuals that you would like to have grouped with a specific team, please let me know asap. I will TRY to accommodate all of these requests. I will send out district information as soon as it is available.
6. Continue to check the nedab.org website for all up to date information.

If you have any questions please feel free to contact me at mmertz0215@gmail.com or call 440-283-9551.
