

2022 NE District Swimming and Diving DI School Counts/Passes

Due to pool deck safety and COVID social distancing, the pool deck area needs to be limited (just like CSU requires max 100 people in pool deck area)
Please do not bring extra swimmers Friday or Saturday and hope you will get extra passes.

The below indicates how coach and athlete passes were arrived at.

Coach passes formula:

1-5 swimmers - 1 coach (except if you have both male and female swimmers you get 2 coach passes)

6-10 swimmers - 2 coach passes irrespective of the gender of your swimmers

11+ swimmers - 3 coach passes

Athlete passes formula

All athletes in an individual event get 1 athlete pass

All athletes that were on the Sectional relay (listed as 1,2,3 or 4 on the result sheet) get 1 athlete pass

If there is a relay (M or F) and only 2 swimmers in individual events, the relay participants from Sectionals will get 1 athlete pass

District administrators have many things they need to balance in order to make the competition safe and fair for all involved. We appreciate your understanding in adhering to the formula above.
