

AP EXAMS 2024

IMPORTANT PLEASE READ!!!

The AP Tests will be given on the dates of the tournament. Please check with your players for AP Tests scheduled on any of the playing dates. **NOW** is the time to request with your guidance dept., an alternate time, date, and/or location for the players scheduled to take tests. Your other option is to place the player on the draw in a position so **he might be able** to make his match. You should have a substitute available if he does not get there on time. We **CANNOT** hold up the tournament for those taking the test. **The College Board has waived the fee for those taking the late-testing date.**
