

Northeast District

New Sectional Assignment Process

Rationale

For the past few years, sports in the OHSAA have gone to a seeding process for their sectional / district or regional placements. The Central District and part of the D1 Southwest District have done a seeding process for tennis.

Last summer, a survey was sent out to all coaches, in all sports, and the results indicated that tennis should try a seeding process for sectional placements.

After much research and trial and error over the winter months, we have decided to use a version of the seeding system that the Central District uses.

This presentation will hopefully give you an idea of how the process will be executed.

GOOGLE FORM ENTRY

Due by April 21 at Noon

The entering of your line-up on the google form will continue to be same as in years past. This has been a perfect way for the tennis managers to gather the information and prepare it for the Seed Meeting. This is your **OFFICIAL ENTRY**.

A screenshot of a Google Form titled "BOYS SECTIONAL ENTRY FORM 2024". The form has a header with the OHSAA logo and a background of green tennis balls. Below the title, it says "Please fill out the boys sectional entry form. It is due by Sunday, April 21 at Noon." There is an "Email *" field with a "Valid email" label and a "Change settings" link. At the bottom, there is a section titled "PLEASE READ BEFORE SUBMITTING ENTRY FORM".

1. Each school may enter three singles players and two doubles teams.
2. Substitutions for singles or doubles players shall be made from the substitute list at the Sectional Tournament prior to the start of competition. Substitutes do not include players who were entered as a singles or doubles participant at the Sectional/District Seeding Meeting.
3. Players that are substituted out of the original entry, cannot be placed on the substitute list.
4. Substitutions may be made for players on the doubles teams qualifying for the next highest tournament but they must be made from the substitute list and must be competitors who did not participate in the Sectional/District Tournament.
5. No competitor will be permitted to take part in both the singles and doubles.
6. A competitor, single or doubles, who starts in a tournament must continue until that tournament is completed.

All coaches must be listed on this form to be able to coach during the state tournament, and all coaches must be board approved and be able to be verified by the school's Athletic Director or Administration.

You will receive a confirmation notice that your entry and line-up were received with a receipt of your input.

ROUND 1: ONLINE ENTRY

April 21 Noon – April 23 Noon

During this phase, the coach will be given a login code, and put their teams overall record and then any information about their team that they would like other coaches to know about them to help in the team seed process.

The screenshot shows the login page for the Northeast District Athletic Board. On the left is the OHSAA logo with 'NORTHEAST DISTRICT' below it. The main heading is 'Northeast District Athletic Board Seeding and Tournament Evaluations Boys Tennis'. Below this is the 'Boys Tennis Coaches Login' section, which includes the instruction 'Enter your assigned username and password as provided in the instruction email message you received.' There are two input fields: 'User Name:' and 'Password:'. A 'Login' button is positioned below the password field. At the bottom, there is a navigation bar with links: [Home | About NEDAB | Member Schools | Sports | Contact Us] and a note 'Questions, Comments, Suggestions? Contact: Bruce Gerber'.

The screenshot shows the welcome page for the Northeast District Athletic Board. On the left is the OHSAA logo with 'NORTHEAST DISTRICT' below it. The main heading is 'Northeast District Athletic Board Seeding and Tournament Evaluations Boys Tennis'. Below this is a personalized welcome message: 'Welcome JOSHUA CHANDLER from GROVE CITY!'. A green bar contains the text 'Select from the following options'. Below this bar is a list of four links: 'Submit win/loss record', 'Division 1 Boys Tennis School Seeding Ballot', 'Division 1 Sectional 3 Boys Tennis Singles Seeding Ballot', and 'Division 1 Sectional 3 Boys Tennis Doubles Seeding Ballot'. At the bottom, there is a navigation bar with links: [Home | About NEDAB | Member Schools | Sports | Contact Us] and a note 'Questions, Comments, Suggestions? Contact: Bruce Gerber'.

Instructions:

Enter your teams wins and losses against opponents in each division.

Enter "0" if you did not play any opponents from a particular division.

Total Wins and Losses will add up automatically.

Note: All win/loss records must be submitted **prior to 9:00 a.m. on ~~Tuesday, April 25, 2024~~**

Enter your win/loss record in the boxes below

	WINS	LOSSES
Division I:	<input type="text" value="0"/>	<input type="text" value="0"/>
Division II:	<input type="text" value="0"/>	<input type="text" value="0"/>
Total:	<input type="text" value="0"/>	<input type="text" value="0"/>

Include comments using no more than 250 characters about your team that would be relevant to the coaches completing the seeding process.

OHSAA BOYS TENNIS TOURNAMENT ENTRY REGULATIONS

1. Each school may enter three singles players and two doubles teams.
2. Once submitted, you may not change singles players and doubles teams for the tournament draw.

ROUND 1: LINE-UP

Also, during this phase, the coach will enter their line-up (**exactly the same one as they did on the google form**). But at this time, they can enter in data about player(s) that they believe should be seeded at sectionals. The more data the better.

Line-Up Rules

When entering information on your players that you would like to be seeded, information on them must come from this current 2024 season. **No WTN, UTR**, or other outside rankings can be used for argument, because those numbers include results outside the 2024 OHSAA season, and they are not approved by the OHSAA.

Substitutions: The only substitutions that can be made are those from your sub list. Remember once you put a sub from your sub list into the main line-up, the player that is in the main line-up now is out of the tournament. They cannot go onto the sub list.

FINAL ROUND: Draw Meeting

Sunday, April 28 2pm

Prior to the Draw Meeting, each Site Manager will receive the line-ups of their sectional teams, like in years past. They will also be given the Top 4 Seed results (singles and doubles) to reveal at the meeting.

At the start of the meeting, the Site Manager will ask for substitutions to the original line-up that was submitted on the Google Form and Online Voting.

You can move players on your original line-up from singles to doubles, vice versa. Remember once you put a sub from your sub list into the main line-up, the player that is in the main line-up now is out of the tournament. They cannot go onto the sub list.

After substitutions are recorded, the Site Manager will continue the Draw process exactly like in years past.

Penalties

There are so many time sensitive deadlines in this new process that we will have to strictly enforce them.

Fines for missing any of the deadlines can be \$50 - \$100 per deadline, and loss of team seeding points.

DEADLINES:

Sunday, April 21:	Google Form Entry (noon)
Tuesday, April 23:	Online Entry Form (noon)

Saturday, April 27:	Participant Seeding (noon)
