Para swimmers are not required to swim at the district meet nor will receive district accolades for participation, but may swim as an additional opportunity to achieve a better time to advance to the state tournament.

- (1) [Para Verification Form](#) to Kate Barnett (kbarnett@ohsaa.org)
- (2) [Tournament Entry Form](#) to Pam Cook (pamswim@aol.com) and the respective district manager (if competing at the district tournament).

For reference, the state para swimming events will take place on Friday February 23, 2024, during the Division II State Finals in Canton, OH.

The Commissioner will investigate the situation and may impose additional penalties in accordance with Bylaw 11 if the situation warrants. Participation in an athletic contest is a privilege. It still counts as an event swum. The coach MUST tell the referee or starter of any DFS PRIOR to that event. Being a championship meet, any swimmer missing his or her event will be disqualified from further competition for the rest of the meet. Any results prior to the missed event will still be counted.
- B. The whistle starting commands will be used.
- C. There will be dual confirmation on all false starts and relay takeoffs.
- D. Swimmers are allowed to wear one (1) suit during competition. Any school logo on suits shall not exceed 9 square inches.
- E. Suits cannot go below the top of the kneecap for both boys and girls.
- F. Only one (1) manufacturer's logo on suits and caps.
- G. Make sure that all your swimmers have legal caps. The caps must be team or plain cap. No club teams or college caps are allowed. A swimmer is allowed to wear two (2) caps.
- H. There will be four-five officials. The referees and starters will remain at their positions throughout. The remaining officials may rotate their positions.

During the Meet:

- Feet first entry in both the deep and shallow end warmups.
- No coaches are allowed behind the blocks with their swimmers once the competition begins.
- No coaches or swimmers are allowed to be on the Admin platform. Meet personnel only.
- No coaches or swimmers are allowed to stand in front of the Admin platform near the rope between the lifeguard chair and starting blocks. This area is to remain open for officials.

Inclement Weather: Teams/Schools should plan on the meet proceeding as scheduled on the timeline outlined unless the University of Akron is closed. The University of Akron reserves the right to postpone and/or reschedule if weather conditions dictate those measures. If any postponement or rescheduling were to occur, information would be passed along to teams/schools as soon as possible.
