

Northeast District

# New Sectional Assignment Process

# Rationale

For the past few years, sports in the OHSAA have gone to a seeding process for their sectional / district or regional placements. The Central District and part of the D1 Southwest District have done a seeding process for tennis for a few years now.

Last spring, the boy's coaches used this new process, and the NEDAB decided to continue to use the format moving forward.

We have decided to use a version of the seeding system that the Central District uses.

This presentation will hopefully give you an idea of how the process will be executed.

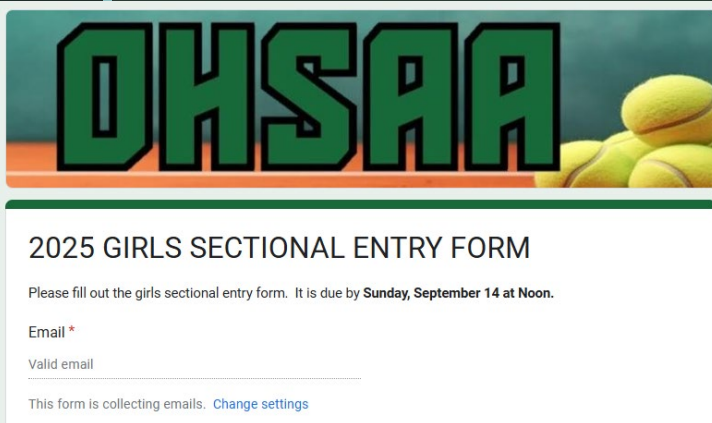

# GOOGLE FORM ENTRY

## Due by September 14 at Noon

The entering of your line-up on the google form will continue to be same as in years past. This has been a perfect way for the tennis managers to gather the information and prepare it for the Seed Meeting. This is your **OFFICIAL ENTRY**.

1. Each school may enter three singles / two doubles teams OR one singles / three doubles teams.
2. Substitutions for singles or doubles players shall be made from the substitute list at the Sectional Tournament prior to the start of competition. Substitutes do not include players who were entered as a singles or doubles participant at the Sectional / District Seeding Meeting.
3. Players that are substituted out of the original entry, cannot be placed on the substitute list.
4. Substitutions may be made for players on the doubles teams qualifying for the next highest tournament but they must be made from the substitute list and must be competitors who did not participate in the Sectional / District tournament.
5. No competitor will be permitted to take part in both singles and doubles.
6. A competitor, singles or doubles, who start in a tournament must continue until that tournament is completed.

All Coaches must be listed on this form to be able to coach during the state tournament series, and all coaches must be board approved and be able to be verified by the school's Athletic Director or Administration.

The screenshot shows the top of a Google Form titled "2025 GIRLS SECTIONAL ENTRY FORM". The header features the "OHSAA" logo in large, green, block letters with a black outline, set against a background of tennis balls. Below the header, the text reads: "Please fill out the girls sectional entry form. It is due by Sunday, September 14 at Noon." There is an "Email \*" field with a "Valid email" label below it. At the bottom of the form preview, it says "This form is collecting emails. [Change settings](#)".

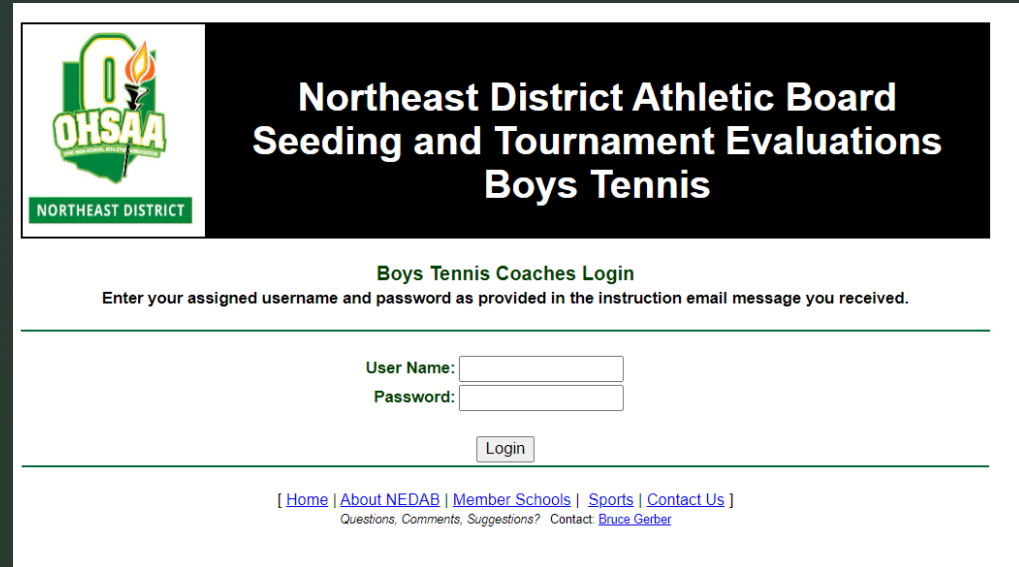

**You will receive a confirmation notice that your entry and line-up were received with a receipt of your input.**

The TOP 16 seeded teams from the previous slide final vote ballot will select what Sectional they would like to attend. Each team will have 3 minutes to select. There is no passing and #16 will select first.

After the TOP 16 have selected their sectional, the rest of the teams will be placed in a predetermined sectional based on geographical location. If a sectional has more teams, then slots\*, then the last seeded team from the predetermined sectional will be moved to another sectional, next closest in location to the school.

\* Teams with only individual player(s) will remain in their geographical sectional despite the number of slots. Coaches that are running a sectional are guaranteed to go to the sectional where they are the manager.

# FINAL ROUND: Draw Meeting

## Sunday, SEPTEMBER 21 2pm

Prior to the Draw Meeting, each Site Manager will receive the line-ups of their sectional teams, like in years past. They will also be given any information coaches furnished on their Entry Form.

At the start of the meeting, the Site Manager will ask for substitutions to the original line-up that was submitted on the Google Form.

You can move players on your original line-up from singles to doubles, vice versa. Remember once you put a sub from your sub list into the main line-up, the player that is in the main line-up now is out of the tournament. They cannot go onto the sub list.

**YOU CANNOT SWITCH FROM THE TRADITIONAL to THE NEW FORMAT or vice versa....whatever format you started with it must remain that way.**

After substitutions are recorded, the Site Manager will continue the Draw process exactly like in years past.

# Penalties

There are so many time sensitive deadlines in this new process that we will have to strictly enforce them.

Fines for missing any of the deadlines can be \$50 - \$100 per deadline, and loss of team seeding points.

## DEADLINES:

- Sunday, Sept 14:** Google Form Entry (noon)
- Monday, Sept 15:** Online Team Information Form (noon)
- Tuesday, Sept 16:** Team Seed Voting (9pm)
- Wednesday, Sept. 17:** Mandatory Coaches Meeting (8pm D1, 8:50pm D2)
