SPRINGSIDE ATHLETIC CLUB REGULATIONS

Please remember this is still a working facility while we are there for our tournament. We are their guests. A few items the club would like all players, coaches, and spectators to remember and rules to follow while we are visiting their facility.

- 1) NO one is allowed to hangout or mingle in the lobby area. Tournament patrons have been given the field house area as a designated area to hang out, relax, eat, etc. Please use that area no matter if the tournament is inside or outside.
- 2) The restaurant area is off limits unless you actually purchase food from the restaurant. You cannot sit at the tables and eat your subway or Chik-fil-la. Again, be outside or the field house area.
- 3) No alcoholic beverages can be purchased. This is an OHSAA event, and they strictly prohibit the buying and drinking of alcoholic beverages at high school events.
- 4) Please read the parking map carefully! We must be considerate of the businesses around the Club and their employees and clientele.
- 5) Please be kind and clean up your area and your trash. Trash cans are located all around the facility.
- 6) While watching matches inside, please stay off of the track, and do not put equipment etc. down the walkway to the courts.
- 7) The basketball courts, weightrooms, racquetball courts, and other club facilities not related to the tennis tournament are off limits to tournament attendees.
