

## AP EXAMS 2021

### IMPORTANT PLEASE READ!!!

The AP Tests will be given on the dates of the tournament. Please check with your players for AP Tests scheduled on any of the playing dates. **NOW** is the time to request with your guidance dept., an alternate time, date, and/or location for the players scheduled to take tests. Your other option is to place the player on the draw in a position so he might be able to make his match. You should have a substitute available if he does not get there on time. We **CANNOT** hold up the tournament for those taking the test. **NEW!! - The College Board has waived the fee for those taking the late-testing date.**

Visit <https://apcentral.collegeboard.org/ap-coordinators/exam-ordering-fees/late-testing> for more information.

Here is the schedule of those exams for your information:
