

# 2021 Northeast Ohio Sectional Gymnastics Meet

Dear Coach / Athletic Director,

Hopefully, you are looking forward to the Sectional Meets on February 13, 14, 15, 2021, with as much enthusiasm as we are in hosting these meets. As all of you are aware – there have been many changes to our gymnastics tournaments this year - ALL Sectional meets will be held at the Summit County Fairgrounds Arena 229 East Howe Road Tallmadge, OH 44278 and the District meet will be held at Mentor High School.

**Please check the NEDAB.org website for tournament information.**

**\*\*Simply scroll on the menu to Gymnastics – All Divisions and it has all the schools listed and their date of competition and either the morning or afternoon session . This information will be determined and posted by January 15<sup>th</sup>. Each day of sectional competition has been broken into two sessions due to Covid restrictions and will have half of the schools competing to allow for social distancing as well as limited competitor and spectator attendance.**

**\*\*All other information can be found scrolling on the menu to – Gymnastics**

Each day of sectional competition will advance 12 individuals in each event including all-around, and the top 4 teams to the District Meet on Saturday February 27, 2021. This year all teams and individuals can find the complete list of results posted on the NEDAB.org website that evening following the completion.

We will use the Capitol Cup Format with the gymnasts warming up and competing on the same set of equipment. The Arena will be set up as to have two separate competition areas with the competition floor and tumble strip in the middle. Group A will use the equipment on the left side of the floor and Group B will use the equipment on the right side.

Also, each group will use the inside outer edge of the “bowl area” for their personal belongings as there are NO lockers available. Signs will be posted at you enter to let each school know which area they will be competing at.

The equipment used for the 2021 Sectional/District Meets will be rented from Midwest Gym Supply and include: AAI Vaulting Table, AAI Wide Extension Uneven Bars, AAI Balance Beams, and Palmer Spring Floor and Tumbling Strip.

**The following information should be submitted as soon as possible but MUST be to me no later than Wednesday, February 3rd for your girls to be eligible for sectional competition**

1) Tournament Information Sheet – see NEDAB.org for this form

Starting Events and Group placements will be posted online on or before Wednesday, February 10, 2021 on the [Nedab.org](http://Nedab.org) website.

Sincerely,  
Don Schutz
