

NWDAB/OHSAA TOURNAMENT

COACHES INFO

SEEDING & BRACKETING PROCEDURES

- ❑ **TEAM BIOS** - Coaches will submit bios to Baumspage. Coaches will see the bios of the other teams from their Group (same as the past)
- ❑ **VOTING** - Coaches will vote on the teams from their Group (same as in the past)
- ❑ **BRACKETING MEETING:**
 - ❑ Coaches will receive an invite for the **virtual bracketing meeting** from their district manager.
 - ❑ **All groups** within a division will be in attendance at the **same bracketing meeting**
 - ❑ Teams will be able to place themselves on the bracket in the **order of seeds** and using the **rotation order** found at the bottom of the bracket
 - ❑ **Example:** Rotation is B-A-C. The #1 seed from Group B can go first followed by #1 from Group A, then #1 from Group C. Next would be the #2 seed from Group B and so on
 - ❑ Teams may only place themselves on **a line designated for their specific group**
 - ❑ The labels on the lines of the colored brackets have NOTHING TO DO with seeds - those labels are simply for reference to avoid confusion when a coach chooses a line. For instance, the #1 seed from Group B might say "I choose line B4".
- ❑ When the brackets are displayed publicly on the OHSAA website, your team's game will be shown under the District that you drew into (Northwest 1, Northwest 2, etc...)
- ❑ **HOME TEAM** - The **better seeded team** will be the home team except for the District Finals. **In the District Finals, the team on the top line will be the home team.**
