Site Specific Information:

- **Bus Drop-off and Parking Information:**
It is important that all schools be informed/reminded that Fremont Ross is currently in the middle of a major construction project. As a result, our parking and traffic flow to the high school has been reconfigured. I am attaching a map for your convenience and would ask that you please send this along to your transportation department and families. Also please note that the entrance for all athletic events will take place in the rear of the building. I have attached a video showing the exact route of travel just to help provide a better visual for your transportation department.
- **ALL TEAMS:** If you have athletes on your team who did not make your sectional squad, please consider having them not attend. This site has the most athletes with very little deck space and no extra spectator seating. Questions regarding this should be directed to Coach Moran.
- Relay cards will be in your school packet. Signed cards must be turned in to the timing booth early, so that names can be entered. Coaches will pick up cards before the start of the meet. Swimmers must take the card to the block and verify their order with the timers. Coaches may change their order or personnel already on the card at any time prior to the start of the event.
- Bring locks for lockers. Locker space is limited. Please have swimmers secure their belongings.
- Teams can utilize the wrestling room and gym to store their team bags and non-competitive equipment.
- Swimmers/Coaches are not allowed to walk on the north deck in front of the spectator seating during competition.
- Individual teams are responsible to pick up debris in their area.
- There is a hospitality room for coaches and officials in room P202 upstairs behind diving boards.
- The warm-up pool will be open throughout the meet. One hand on deck to enter the pool will be enforced and there is NO diving.
- Rub-down tables are only permitted in the designated area of the wrestling room. Teams planning on bringing tables need to let Coach Moran know in order to determine how much room is needed.
- Tournament t-shirts will be for sale
- No food on deck.
- Per OHSAA Rules, NO SHAVING at the meet facility. Any athlete found to be in violation will be ejected from the meet.
