

The Southern Buckeye Athletic and Academic Conference is looking to expand.

The Southern Buckeye Athletic and Academic Conference (SBAAC) is currently exploring the possibility of expanding its membership.

The SBAAC is currently comprised of 13 schools in two divisions (American Division – Large Schools/ National Division – Small Schools). We are competitive, respected, and tradition-driven to provide for all athletes in our member schools.

Offerings from our school include:

1. Excellent facilities with post-tournament commitments
2. A wide variety of Varsity-level sports in three seasons
3. Support for each one of our communities across 3 counties
4. A website that is active in recording standings, records, stats, and honors

We invite any schools that are interested to contact our current Executive Board President with a **Letter of Interest**. Please submit your **Letter of Interest** to:

David Moss
Superintendent, Clinton-Massie Schools
