Tournament Revenue Discussion

- We reviewed the significant drop in net revenue from our Sectional and District basketball tournaments compared to the other five districts. This will need further discussion moving forward.

AA Position

Team Assignments

- Assignments were reviewed and approved (see attached).
- The biggest change is the additional **DI Girls Golf Sectional Tournament**.
- Echo Hills will serve as the site.
- We approved an **open draw in the north**, consistent with the south.
- **Advancement:**
 - South locations: Top 5 teams and individuals
 - North locations: Top 3 teams and individuals

Annual Banquet Recap

- The banquet went very well—thanks for your excellent guest list, table planning and prep work.
- The hotel staff was cooperative and had the room ready on time.
- We had two extra seats and one unexpected no-show (parents arrived but then left when their student did not).
- We announced that you would email students with access instructions for the scholarship funds and their photos.
- We have a few suggestions for next year's program and bios—we'll share those with you later.

Next Meeting

- Trotwood Madison will host us on **August 12 at 9:00 AM**.
