2024 BOYS AND GIRLS SOCCER**

SWDAB RULES AND REGULATIONS FOR 2024 BOYS AND GIRLS SOCCER TOURNAMENTS

1. Seeding Procedure. Per the direction of the Southwest District Athletic Board, all teams in a bracketed tournament will be seeded. All online voting materials will be emailed to the Athletic Director who will provide this information to the coach. The coach will make comments pertinent to his/her team online from Sunday, September 29, 2024 to Wednesday, October 2, 2024. Online voting will begin on Thursday, October 3, 2024 and conclude at NOON on Saturday, October 5, 2024. The mandatory **VIRTUAL** coaches meeting will be held on Sunday, October 6, 2:00 p.m. for boys soccer; 3:00 p.m. for girls soccer. **The virtual draw will now be a combined draw including both the North and South together. The North and South divisional draw will be conducted simultaneously, and the manager will rotate back and forth between North and South depending on year until all lines of both bracket are filled. In even numbered years (North will draw first), in odd numbered years (South will draw first). North schools can only draw onto available North lines and South schools can only still draw onto South lines.** The tournament manager will distribute in either written form or spreadsheet the tally of all votes no later than 2 hours before the start of the manager's meeting on Sunday, October 6, 2024. All ties will be broken prior to the placement of teams on the brackets. By board action, starting with the 2021-22 tournaments, ties will be broken as follows:

10.a.1.) The team that receives the most individual votes at the tied position or above shall receive the higher seed.

10.a.2.) If the results are still tied, the tie shall be broken by a coin toss. The school that calls the toss shall be the first one to appear in the alphabet (official school name without the respective city name ahead of it unless the city name is part of the official school name), going from A to Z in even-numbered years and Z to A in odd-numbered years

By board action, starting with the 2011-2012 tournaments, the coach can not vote for his school in the seeding process, and the highest and lowest votes for each school will be dropped in the final tabulation. By board action, starting with the 2013 spring tournaments, a coach that does not vote in a bracketed tournament loses his highest score, second highest score, and lowest score prior to final calculation.

Once that the seeds are determined for each team in the tournament, the seeds will go on the brackets in order of seed. The first seeded team will go followed by the second seeded team.

By board action, starting with the 2022-23 tournaments, Passing shall be permitted as follows:

- The number of schools advancing to the district tournament may pass. All others must place themselves on the bracket when their seed is called. If there is not a sectional level game prior to the district, the number of schools advancing to the regional may pass.

Note: As an example, if eight teams are advancing to the district tournament, seeds No. 1 through No. 8 may pass, but all other teams must place themselves on the bracket. Or, if there is not a sectional level game prior to the district and three teams are advancing to the regional tournament, seeds No. 1 through 3 may pass, but all other teams must place themselves on the bracket.

- At each point where a seeded team places itself on the bracket, the seeds above that team which previously passed shall be given the option to place themselves on the bracket starting with the highest seed going first. Those teams may choose to pass again.

Example: Seed No. 1 places itself on the bracket. Seeds No. 2 and 3 pass. Seed No. 4 places itself on the bracket. Instead of going to Seed No. 5, Seed No. 2 shall then be given the option to place itself on the bracket followed by Seed No. 3.

This process will continue until the brackets are filled.

Any team that does not show at the tournament placement meeting will go on the bracket last. Any school that does not vote online by Saturday, October 5, noon, will not be permitted to vote at a later time and his next highest vote will be dropped prior to final tabulation. Any school that does not meet voting requirements but does attend the placement meeting will receive the votes that the school received for seeding purposes and will be seeded accordingly. If a coach is late for the seed meeting and has missed his opportunity to go on the bracket, his absence will be considered as a pass, and will be given an opportunity to go on once he is in attendance. If more than one coach does not show up, the tournament manager will flip a coin to determine the order of placement on the bracket.
