

**OHIO HIGH SCHOOL ATHLETIC ASSOCIATION  
2021 VOLLEYBALL – SOUTHWEST DISTRICT**

SEEDING PROCESS. Per the direction of the Southwest District Athletic Board, all teams in a bracketed tournament will be seeded. All online voting materials will be emailed to the Athletic Director who will provide this information to the coach. The coach will make comments pertinent to his/her team online from Sunday, October 3, to Wednesday, October 6. Online voting will begin on Thursday, October 7, 2021 and conclude at NOON on Saturday, October 9, 2021. The mandatory coaches meeting will be held on Sunday, October 10, 2:00 p.m. The tournament manager will distribute in either written form or spreadsheet the tally of all votes at the manager's meeting on Sunday, October 10, 2021. All ties will be broken prior to the placement of teams on the brackets. By board action, starting with the 2021-22 tournaments, ties will be broken as follows:

10.a.1.) The team that receives the most individual votes at the tied position or above shall receive the higher seed.

10.a.2.) If the results are still tied, the tie shall be broken by a coin toss. The school that calls the toss shall be the first one to appear in the alphabet (official school name without the respective city name ahead of it unless the city name is part of the official school name), going from A to Z in even-numbered years and Z to A in odd-numbered years.

In Open Placement Tournaments (formerly open draw tournaments) or tournaments involving two or more sectionals in which schools go to the sectional of their choice, the team may go on any bracket provided that the bracket is open and it is that coach's turn.

By board action, starting with the 2011-2012 tournaments, the coach cannot vote for his/her school in the seeding process, and the highest and lowest votes for each school will be dropped in the final tabulation. By board action, starting with the 2013 spring tournaments, a coach that does not vote in a bracketed tournament loses his/her highest score, second highest score, and lowest score prior to final calculation.

Once the seeds have been determined for each team in the tournament, the seeds will go onto the brackets in order of seed. The first seeded team will go on followed by the second seeded team. Any team may choose to pass, and if does so, the next seeded team will be given a choice to go on the bracket. After a seeded team goes on the bracket, the seeded team that chose to pass will again be given an opportunity to go on the bracket. This process will continue until the bracket is filled.

Any team that does not show at the tournament placement meeting will go on the bracket last. Any school that does not vote online by Saturday, Noon, October 9, 2021, will not be permitted to vote at a later time and his next highest vote will be dropped prior to final tabulation. Any school that does not meet voting requirements but does attend the placement meeting will receive the votes that the school received for seeding purposes and will be seeded accordingly. If a coach is late for the seed meeting and has missed his/her opportunity to go on the bracket, his/her absence will be determined as a pass, and will be given an opportunity to go on once he is in attendance. If more than one coach does not show up, the tournament manager will flip a coin to determine the order of placement on the bracket.
