There are just two bylaws in the section entitled "RESIDENCE. Bylaw 4-6-1 denotes that the State Board of Education establishes all public school districts. In addition, every Ohio resident lives within the boundaries of one of those public school districts. The bylaw further defines what it means to be a bona fide resident of our state. Criteria, including but not limited to 1) where the parents and family members sleep the majority of the time; 2) where mail is received; 3) where meals are prepared and eaten; 4) where the parents are registered to vote; and 5) where important family activities take place a significant part of each day, are just some of the factors that the OHSAA will examine in determining whether a family’s residence in our state is bona fide. This bylaw also reminds members that if parents establish a bona fide residence under Bylaw 4-7-2 Exception one or Bylaw 4-7-4 criterion one to support a transfer, the residence must be maintained for at least one year from the date the transfer is approved. In short, to be a bona fide resident of Ohio, you must actually live here!

This guidance will also alert administrators to the fact that in many cases, a student who meets a residence exception will also have to adhere to the transfer bylaw. Those cases will be clearly identified within this series of documents.

This document will focus on Bylaw 4-6-2 – Out of State Residence – Exceptions 3, 4, 5, 6, 7 & 8. This bylaw reads as follows:

A student whose parents (biological or adoptive) reside outside the state of Ohio will be ineligible for interscholastic athletics in a member school. (See Bylaw 4-8-1 for eligibility requirements for international students.)

OHSAA Bylaws require that at least one parent reside in Ohio in order for the student to be compliant with this residency Bylaw 4-6-2.

This bylaw has 12 exceptions. This guidance will focus on Exceptions 3-8. Most of these exceptions require action on the part of the school in the form of a request for approval. Those exceptions are identified.

**EXCEPTION 3** – If a student’s parents move outside the state of Ohio at any time after the student has been enrolled and attending a minimum of 15 days at the beginning of the student’s eleventh grade school year, the student may be declared eligible for the remainder of the student’s high school career at the high school he/she was attending at the time of the parents’ move, provided:
