Transfer Bylaw Guidance **Bylaw 4-7-5 – Poor Performing Schools**

This document will focus on and Bylaw 4-7-5. For guidance on the full text of Bylaw 4-7-2, please visit (https://ohsaaweb.blob.core.windows.net/files/Eligibility/4-7-2Guidance.pdf).

These poor performing bylaws/exceptions read as follows:

> **BYLAW 4-7-5:** *Notwithstanding the provisions of sections 4-7-2 and 4-7-4, if a student transfers pursuant to state or federal statutes addressing unsafe schools or academically poor performing schools, and the student can demonstrate to the satisfaction of the Executive Director's office that the transfer is for purely academic reasons and not athletic reasons, the Executive Director's office may declare such transferring student eligible upon application to the Executive Director's office…The OHSAA uses the Ohio Department of Education's (ODE) List of Priority Schools, or other such ODE publication denoting poor performing schools, as of the date the transfer request is received in the Executive Director's Office, to denote academically poor performing schools.*
>
> *Note 1: The student shall be entitled to one transfer only under the provisions set forth in this bylaw. In addition, this bylaw shall not be used to establish eligibility at another high school if the student transfers into and then back out of the poor performing school in an attempt to circumvent the transfer bylaw.*
>
> *Note 2: If a student has used this bylaw to transfer out of a poor performing school at any time during his or her high school career, the student shall not be permitted to transfer back to the same poor performing school and regain transfer eligibility.*

Until a student is declared eligible by the Executive Director's Office in accordance with this exception, they shall be ineligible for all OHSAA tournaments in those sports in which the student participated during the 12 months immediately preceding this transfer. In addition, the student shall be ineligible for all contests at all levels AFTER the first 50% of the maximum allowable varsity regular season contests have been competed in those sports in which the student participated during the 12 months immediately preceding this transfer.

To receive a ruling on this exception, the principal or athletic administrator shall send the form found at this link: https://ohsaaweb.blob.core.windows.net/files/Eligibility/forms/PoorPerformingForm.pdf

Below is a list of Comprehensive Support and Improvement (CSI- formerly Priority Schools), Additional Targeted Support and Improvement (ATSI- formerly Warning Schools), and Targeted Support and Improvement (TSI- formerly Focus schools) schools for the 2023-24 school year as reported by the Ohio Department of Education **as of September 15, 2023.**
