1-1-1 The name of this organization shall be the Ohio High School Athletic Association (OHSAA).

Article 2 — Purpose

2-1-1 The purpose of this non-profit organization shall be to regulate, supervise and administer interscholastic athletic competition among its member schools to the end that the interscholastic program be an integral factor in the total educational program of the schools. This shall be accomplished by cooperation with all agencies vitally concerned with the health and educational welfare of high school, middle school and junior high school students; determining qualifications of individual contestants, coaches, and officials; providing information through literature and other materials to facilitate athletic relations among member schools; establishing standards for sportsmanship and competition; furnishing protection against exploitation of school or student and in any manner directed by the member schools.

Article 3

1 - Membership

3-1-1 Membership in the OHSAA is voluntary and shall be renewed annually by each member school’s Board of Education or similar governing body by execution of the Resolution Card approved by the Board of Directors.

3-1-2 Member schools must either be chartered by the Ohio Department of Education and Workforce or operate in accordance with the Ohio Department of Education and Workforce Minimum Standards Chapter 3301-35-08 Non-Chartered Non-Tax Supported School.

3-1-3 A school which loses its charter by action of the Ohio Department of Education and Workforce or which no longer operates in accordance with Ohio Department of Education and Workforce Minimum Standards Chapter 3301-35-08 Non-Chartered Non-Tax Supported School ceases to be a member of the Association.

3-1-4 The annual membership period begins August 1 and continues until July 31 of the following year.

3-1-5 As a condition of membership (initial and/or continuing), any and all lawsuits commenced by or on behalf of a member school, which lawsuit, in whole or in part, challenges a duly adopted Article of this Constitution or a duly adopted Bylaw of the member schools, shall be commenced in a court of general jurisdiction in Franklin County, Ohio. EXCLUSIVE JURISDICTION AND VENUE vests with the courts (State and Federal) in Franklin County, Ohio, with respect to any and all court challenges brought by or on behalf of a member school, in law or in equity, challenging the Constitution, Bylaws, Regulations, and/or the interpretations or enforcement of the same by the Executive Director’s Office.

2 - Initial Membership

Note: Requirements for initial membership may be waived in the event that a public school district closes a current member school(s) and then reopens a school or multiple schools under different names and IRN’s. Participation opportunities for students attend-ing the new school(s) shall be addressed within the business rules of the OHSAA as well as state law.

3-2-1 A prospective member school shall submit an Application for Membership on which a prospective member school shall declare its one-year prospective period. During that prospective period, the school shall be required to submit documentation corroborating the certifications on the Application for Membership, as set forth in Article 3-2-2, that will be submitted at the completion of the prospective period.

3-2-2 The Application for Membership, on the form prescribed by the OHSAA, must be completed and signed by the superintendent of the school district (or the person acting in a similar capacity for any non-public school) certifying that with respect to its student-athletes and sports programs, the school has conformed with all bylaws and regulations of the OHSAA for a minimum period of one year immediately prior to the date of application, in accordance with Article 3-2-1.

3-2-3 The applicant must be able to certify that it has sponsored at least two 7th-8th grade and/or varsity “recognized sports” (per Bylaw 1-5-1) per sports season in the year immediately prior to the date of application and that it intends to continue with its sponsorship of at least two recognized sports upon becoming a member of the OHSAA. Sponsorship of a 7th-8th grade and/or varsity recognized sport means that the school conducts competition in a minimum of 50% of the maximum allowable regular season contests in each sport. Furthermore, the applicant must certify that it intends to and actually shall participate in the OHSAA-sponsored tournaments for at least two of the sports for which applicant provides sponsorship..

3-2-4 The Board of Education or similar governing body must adopt a resolution authorizing membership for all prospective 7th and 8th grade schools and/or high schools seeking membership under its jurisdiction. When a new school is opened

in a multi-high school/7th-8th grade school district or system, the superintendent or principal must request membership for that school using the form prescribed by the OHSAA. In this situation, initial membership requirements set forth in Article 3-2-1 may be waived.

Conversely, when a non-member school in a multi-high school/7th-8th grade school district desires to seek membership in the Association after having been a non-member school for at least one year, that school shall fulfill the requirements of initial membership as outlined in Constitution Articles 3-2-1 and 3-2-2.

3 - Continuing Membership

- 3-3-1** The Board of Education, or similar governing body, must adopt a resolution authorizing continuing membership in the OHSAA for all 7th and 8th grade schools and/or high schools wishing to continue membership under its jurisdiction, which resolution shall be submitted to the Executive Director's office no later than June 30 of each year for the ensuing school year.

Note: Schools whose membership has been suspended for a year or which have not been a member for a year shall be considered under initial membership and shall follow the requirements of initial membership as outlined in Constitution 3-2.

- 3-3-2** If, at any time, a school's Information Retrieval Number (IRN) changes, the Superintendent, or other administrative authority of that school system, is required to alert the Executive Director's Office of such a change. Furthermore, the principal of each member school must submit the required sports registration forms through myOHSAA prior to the start of each school year.

- 3-3-3** A school that loses its charter by action of the Ohio Department of Education and Workforce or which no longer operates in accordance with Ohio Department of Education and Workforce Minimum Standards Chapter 3301-35-08 Non-Chartered Non-Tax Supported School ceases to be a member of the Association.

- 3-3-4** Subject to Article 3-3-5 below, a member high school must continue to sponsor two varsity "recognized sports" (per Bylaw 1-5-1) per sport season during the school year in order to maintain membership in the OHSAA. 7-8th grade schools must also sponsor two OHSAA recognized sports per season during the school year in order to maintain membership in the OHSAA. Sponsorship of a varsity recognized sport or a 7-8th grade sport means that the school is encouraged to compete in a minimum of 50% of the maximum allowable regular season contests in each individual sport, is required to conduct competition in a minimum of 50% of the maximum allowable regular season contests in a team sport, (see General Sports Regulations 7.2.1 and 7.2.2 for the definition of individual and team sports) and at the high school level is required to participate in the OHSAA sponsored tournament for each of those sports.

Exception: Schools that have restricted enrollment due to geographic placement may request written exemption from this sponsorship requirement prior to August 1 of the ensuing school year. The exemption may be granted solely at the discretion of the Executive Director's office.

Note: Schools that were members as of the 2009-2010 school year and did not meet the two-sport per season provision within this article are exempt from this two-sport per season requirement until such time when they do meet the two-sport per season requirement.

- 3-3-5** If, during the course of any given school year, a member school fails to sponsor a minimum of two varsity "recognized sports" in any sport season or two OHSAA recognized sports per season at the 7-8th grade level, effective in the immediate ensuing sports season after the school fails to meet this minimum sponsorship obligation, the school's membership shall be placed on probation. Part of this probation will be that the school's remaining sports teams shall be ineligible for participation in any OHSAA sponsored tournaments at the high school and/or 7th-8th grade level during that probationary period. However, a school whose membership is placed on probation pursuant to this section may be eligible to participate in the OHSAA sports tournaments during its probationary period upon application to the Executive Director's Office, membership services department. The Board of Directors shall adopt guidelines regarding objective criteria for the membership services staff to consider in making the tournament participation decision.

Furthermore, that school's probation shall remain in effect for three consecutive sports seasons, during which time the school must resume sponsorship of two sports per sport's season. If the probationary school fails to sponsor two sports per sport's season during this probationary period, the school's membership in the OHSAA shall be terminated.

Note: Probation has a different meaning than suspension as denoted in Constitution 3-3-6.

- 3-3-6** In the event a member school is compelled to suspend sponsorship of its extracurricular activities, including interscholastic sports, due to levy failures or other economic hardships, that school's membership in the OHSAA shall likewise be temporarily suspended until such time as the existing member school petitions to re-activate its membership in the OHSAA. During this period of suspended membership, all rights and privileges associated with membership shall be suspended.
