INSTRUCTIONS FOR COMPLETING BYLAW 4-6-2 #12, US CITIZEN WHOSE PARENTS ARE NON-RESIDENTS AND NON-US CITIZENS

Exception 12 of Residence Bylaw 4-6-2 permits a student who is a United States citizen, and whose parents (biological or adoptive) are non-citizens living outside the United States or any of its territories, to be eligible for interscholastic athletics subject to the restrictions and conditions stipulated below:

- a. **The student may be eligible for a maximum of one school year, which is the first year of enrollment at the Ohio member school.**
- b. The student has not previously participated in any other visitor exchange program in Ohio or any other state within the United States or any of its territories or attended any other high school in the United States or any of its territories. The period of participation in another visitor exchange program or the period of attendance at another high school in the United States or any of its territories shall count against the one-year maximum eligibility set forth in (a) above.
- c. There shall be no evidence of a direct placement for athletic purposes into a specific member school in Ohio.
- d. The member school at which the student wishes to be declared eligible for interscholastic athletic participation must submit the appropriate form(s) to the Executive Director's office, and the student and school must cooperate with the Executive Director's office in determining that all other requirements for eligibility have been satisfied, including the scholarship, transfer, semester and age requirements.

Note: Because of his/her citizenship status, the student may travel freely back and forth between the United States or any of its territories and the home country with the proper U. S. passport. Thus, a student could have attended high school in the United States or any of its territories previously without being part of any International Exchange Program. It is the responsibility of the school administration to verify that the student in these circumstances meets all the requirements of eligibility expressed above and verified on this form.

Please complete this form and return it, to the OHSAA office via an email attachment, Attn: Mrs. Kristin Ronai (kronai@ohsaa.org). Please note the student is ineligible until a favorable ruling is issued by the Executive Director's Office. Furthermore, any student approved under Bylaw 4-6-2, Exception 12 may still be subject to the transfer consequence unless an exception can also be met to Bylaw 4-7-2.
