INSTRUCTIONS FOR COMPLETING BYLAW 4-8-1 EXCEPTION 1 J-1 VISA STUDENT REQUEST- 2024-25

Exception 1 to Bylaw 4-8-1 permits students who possess a **J-1 Visa** issued by the Federal Government's Visitor's Exchange Program to be eligible for athletics for a maximum of one school year (two semesters) provided they meet the scholarship requirement and have not graduated from their home school or attended **high school** more than eight semesters.

It is the expectation of the OHSAA that all request for eligibility for international exchange students preceded by a thorough review of the international exchange student's academic records and educational history. **No** student who would be considered a "graduate" in his or her home country will be permitted to participate in interscholastic athletics at a member school pursuant to Bylaw 4-3-7. Please be advised that students in South America may have graduated at the end of their 11th grade year. The OHSAA will only grant eligibility, under exception 1, to those students who possess a J-1 Visa. Please review Bylaw 4-8-1 for additional exceptions for International Students.
