Ohio Prep Sports Media Association Update

Hello OPSMA Members and welcome to several new members! Please see below for details on the weekly football notebook and more OPSMA updates and information.

OPSMA Weekly Football Notebook Returns

Once again this football season, the OPSMA will compile and distribute the weekly high school football notebook. Please send your area's top performances that merit statewide recognition to Jake Furr, OPSMA Vice President and reporter for the Mansfield News Journal, at jfurr@gannett.com by noon **Mondays** and we will release those statewide on Tuesday.

Please keep your submissions brief and limit your notes to those outstanding performances that truly deserve statewide attention. When possible, add some additional content to your notes, such as school or state records, streaks, freshmen, etc.

Please be sure to make your submission in sentence format Jake can copy and paste.

Example: *Ontario's Chase Studer ran for 275 yards and four touchdowns in a 35-7 win over Lexington in Week 1 setting a new single-game school rushing record.*
