### Skyview Networks – Satellite Distribution

Skyview will add OHSAA Radio Network affiliates into their system for the basketball state tournament broadcasts. Affiliates have access to schedule the broadcasts on their Skyview XDS receivers. The program name is “OHSAA Championships.”

### Stations Not Using a Skyview Receiver

Please see the link below to carry a game through the online broadcast feed. Google Chrome is the preferred browser. The direct link is <https://edge.mixlr.com/channel/iyxob>

### Broadcast Elements

**Girls Semifinals Programming Note:** The semifinals of the girls basketball state tournaments are doubleheader sessions. The first game has a hard start time for the pregame show (please see the program logs), but the second games do not, as that depends on the length of the first game. The announcers will give timing updates and there will be a five-minute countdown prior to the second game, followed by a one-minute rejoin clip.

#### Local and Network Breaks:

Please see the program logs regarding breaks and verbal outcues by the announcers. Automation notes are described above. During local breaks, local stations may not air spots promoting alcohol, tobacco, gambling, political parties, guns or ads considered in poor taste.

#### Pregame and Postgame Shows:

- Network join time is 20 minutes prior to the announced start time.
- Listen for a five-minute countdown on the network prior to the first game of each session, followed by a one-minute network reset clip.
- Postgame shows run approximately 10 minutes for the semifinals and 20 minutes for the championship games due to trophy presentations.

Program Logs Will Be Posted At: <https://www.ohsaa.org/news/radio>

**Welcome Affiliates Script:** The play-by-play broadcasters may split the affiliates list into multiple reads.
