The OHSAA will provide online local meetings for most sports within the local meeting window. This is the second and final online local meeting for wrestling.

These are optional meetings for officials to view and each meeting is able to be completed for one local meeting credit each. Your attendance credit is not uploaded automatically upon completion like the online state rules meeting.

The meeting will only be available on the timeline below. Your attendance will be uploaded on the timeline below:

Meeting Available	Last Date Available	Credit Upload
Friday, January 20	Monday, January 30	Wednesday, February 2

To access the online local meetings for your sport:

- 1 - Log in to your myOHSAA profile - <https://officials.myohsaa.org/Logon>
- 2 - Select the orange "Official" icon
- 3 - On the left-side menu toward the bottom select the button labeled "Special Presentations" under the orange section header labeled "OHSAA Resources"
- 4 - Once on the Special Presentations screen, select the meeting for your sport by selecting the "View" button for your sport's meeting.
- 5 - After the "Last Date Available" listed above, the meeting will not be available for viewing or local meeting credit.

If you watch the wrong sport's meeting, you will not receive local meeting credit. Do not email or call the OHSAA meeting to inquire about meeting attendance prior to Wednesday, February 2nd. Please check your MyOHSAA for attendance on the credit upload date above.
