The final date to renew a fall sport *without a late fee* is **this Thurs., June 30**. The following information was emailed to all active officials on May 24, with a reminder on June 15. You can confirm successful renewal in myOHSAA by clicking the orange Official icon and then the Permit Card link along the left. All successfully renewed permits will show an expiration of 6/30/2023. Our records indicate you are eligible to renew the fall sport(s) below. **Note: IF the concussion training on your profile will expire prior to the June 30 renewal deadline, follow the instructions below to update the concussion certification on your profile so you may renew on time without a late fee. If you have already viewed the concussion training, you must MANUALLY enter the certification on your profile.**

We hope this email finds you healthy and well! Thank you for another tremendous year of interscholastic athletics! **Beginning JUNE 1**, renewals of officiating permit fees for all officials are payable **online only through myOHSAA**. The OHSAA office will continue with the adjusted renewal deadlines used last school year, which are outlined in the table below. Renewal Summary

1. **Starting June 1**, login to myOHSAA at <http://officials.myohsaa.org/Logon> to renew your permit. You may renew using a credit card or by entering your bank account information. Renewal fees are \$60 for the first sport and \$30 for each additional sport when completed prior to midnight ET on the date listed above.
2. A \$50 late fee will be charged for renewals completed after midnight ET of the deadline to renew without a late fee date outlined in the table above.
3. Permits must be renewed by midnight ET on the date listed in the Deadline to Renew Without a Late Fee column in the table above to remain active and avoid a late fee.
4. You will be prompted to review and update your myOHSAA profile with any **mailing address changes** to ensure that all OHSAA mailings, including rule books, are received.
5. While we have made very limited exceptions prior to the pandemic by allowing officials to renew in-person, we **will not** accept any in-person renewals this year. All renewals must be completed online through myOHSAA.
6. Officials with a permit in multiple seasons may choose to renew each sport at separate times while still receiving the additional sport fee reduction. An official will receive the additional sport fee reduction throughout the year, but the late fee will still apply to the prescribed timelines.

7. Renewing a permit does not provide or imply a guarantee of OHSAA officiating assignments in the season renewed. There will be no refunds or transfers of officiating fees to the following school year in the event that the sport season is cancelled.

If you wish to go inactive please simply disregard this email and do NOT renew your permit.
