

To: OHSAA Track and Field Officials

From: BJ Duckworth, DOD and Sports Administrator for TF and XC

Subject: Track and Field Online Meeting #2

Date: Tuesday, April 9, 2024

The OHSAA has provided online local meetings for most sports within the local meeting window. This is the second and final virtual local meeting from the OHSAA for Track and Field. Most sports will offer two online local meetings, and cross country will offer one in the fall. These are optional meetings for officials to view, and each meeting can be completed for **one local meeting credit**. Your attendance credit is not uploaded automatically upon completion like the online state rules meeting.

The meeting will only be available, and your attendance will be uploaded per the timeline below:

Meeting Starts	Meeting Ends	Attendance Entered
Monday, April 15	Friday, April 26 at 11:59 pm	Tuesday, April 30

This meeting is not your traditional video as the meetings have been in the past. This meeting is a combination of the completion of the 30-minute NFHSLearn.com Sportsmanship Course and a 20-question rules quiz. Click the below link to be taken to a Google Form that will include instructions for completion of the NFHSLearn.com course, completion of the quiz, and upload of the completion certificate. <https://forms.gle/Jc5HWj6PgRtr2BWe7>

Please Note: If you do not input the correct permit number, attendance credit will **NOT** be given.
