

To: OHSAA Officials

From: OHSAA Officiating Department

Re: May Update

1 - NASO Newsletter “Officiating During the COVID-19 Crisis”

National Association of Sports Officials (NASO) has put together a digital officiating newsletter for all officials to sharpen our skills during this unexpected offseason:

2 - Officials on the Frontline

Here are two articles written by OHSAA basketball official Mark Froelich about two OHSAA officials who are frontline professionals during this pandemic. April Largent is a basketball official and a nurse manager in Cleveland. Tony Santiago is also a basketball official and is a captain with the Toledo Fire Department.

3 – 2020-21 Officiating Renewals

In a typical year, officiating permit renewals would begin on June 1. If we have learned anything in 2020, this is not a typical year! Our office is reviewing changes to the renewal deadlines this year, please look for an email from our department outlining this year’s renewals by the end of this month.
