1) Duties of a Local Association Secretary

Below are most of the duties of a Secretary. Many of these duties are explained in further detail later in this manual.

All the online components of the Secretary's responsibilities are clearly outlined later in this handbook.

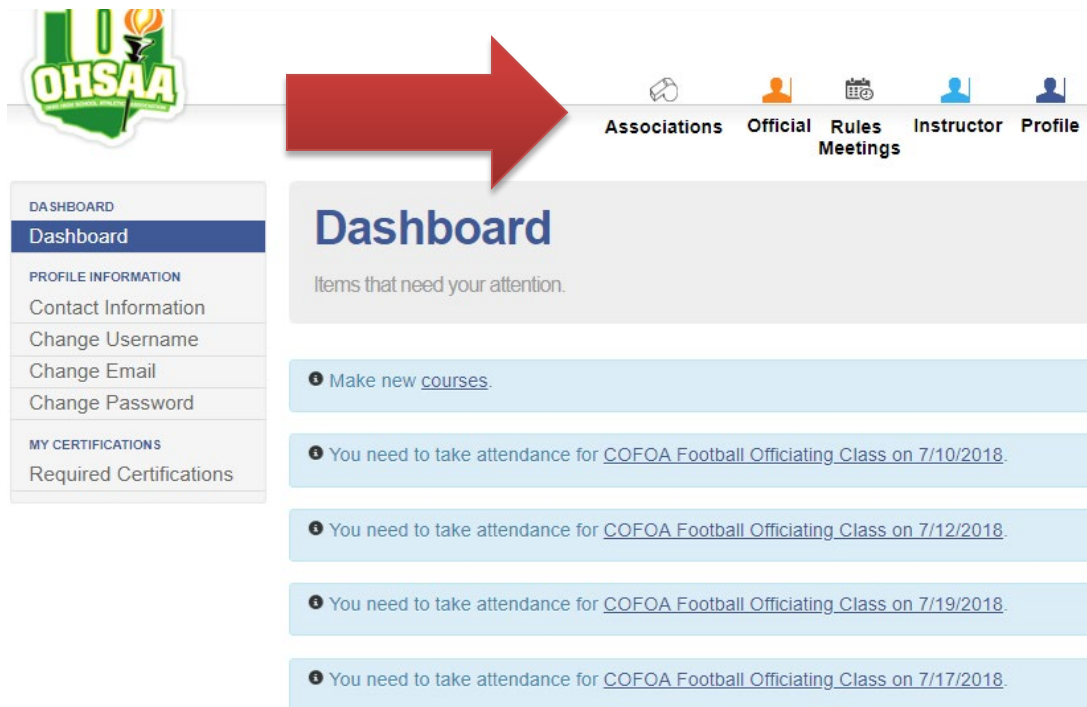

- 1) **Submit Association Officers** – A form is emailed to Secretaries mid-March. This should be returned by April 15th. Any changes during the year should be reported to the OHSAA office via e-mail or mail by existing Secretary or President. OHSAA makes the title changes on myOHSAA for Secretary and Rules Interpreters.
- 2) **Association Roster on myOHSAA** - This is to be completed by the Secretary. This list will appear on each of your myOHSAA account screens. An Association must have a minimum of 15 members to maintain status as an OHSAA chartered officials' association. A red asterisk next to a member's name indicates the official is inactive. You should remind members of this to help them maintain a good status. By looking at your roster you can also see the member's years of service, their classification, and their meeting totals.
- 3) **Association Meetings on myOHSAA** – Association meetings are to be entered on myOHSAA by the Secretary. July 1st is the target date to start entering them. The meetings are live for public viewing as soon as you save the meeting information. They can be edited, removed, or added anytime, within the timeframe of the meeting window for that sport. There should be a minimum of one meeting scheduled in addition to the total needed for credit. (i.e., four meetings required by a football official, therefore each association should schedule at least five). Some sports only required three meeting credits.
- 4) **Meeting Attendance on myOHSAA** – This screen does not become active until the date of a meeting has passed. The meeting date appears with a link to add the attendance. Our expectation is that meeting attendance will be added within seven days of the actual meeting. Secretaries have one week from the end of the sport's meeting window to record all attendance. After that week, suspension lists are generated within ten days.
- 5) **Tournament Officials Votes** – See sections 9 and 21 for the details involving voting for tournament officials.
- 6) **Annual Secretaries Meeting** – It is required that the Secretary attend an annual secretaries meeting. Those will either be held in Columbus or in your district. If the Secretary cannot attend, an officer or representative can attend. It is strongly recommended that the elected Secretary attend.

- 7) **Meritorious Awards** – Officials are entitled to receive meritorious awards for their years of service. These are ordered by the Secretary in which the official is a member. The years of service appear on the roster on the secretary's account. Forms to order the certificates are found [here](#). Please complete the form, including permit number and years of service to be printed on the certificate. Submit the form to Charles Anderson at canderso@ohsaa.org . You can also export your roster to Microsoft Excel and use this for submitting for certificates. Three weeks' notice is requested.
- 8) **The Secretary must** provide officials who are seeking an upgrade in classification with support. The Secretary is the "go-to" person in their Association.
- 9) **Training of your Membership** – Associations are expected to train their members on the rules and mechanics of officiating. Secretaries should educate officials on all aspects of OHSAA regulations: remind them of deadlines; discuss tournament procedures, Hall of Fame process, etc. You don't have to do all these jobs yourself. Appoint assistants in all the different areas. Get others involved. Make your Association a team.
- 10) **Local Association Secretaries must** have a working knowledge and ability to complete online forms, email, etc. Computer access is a must. Failure to "have computer access" will result in replacement of the Secretary or suspension of the association.
- 11) **Local Associations and their leadership shall not** accept money from schools to pay officials for game fees.

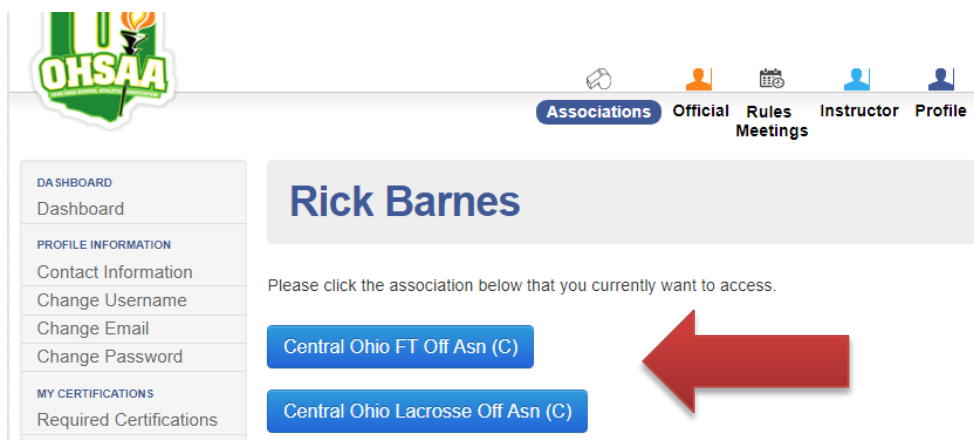

Most of your questions regarding officiating information can be answered by reading the [Handbook for Officials](#) or looking online at [OHSAA > Officiating](#). Please refer to either source prior to contacting the OHSAA office. Encourage your membership to contact you if they have questions and cannot find it in the Handbook for Officials or the website.

- A. Applicable to Baseball, Basketball, Football, Ice Hockey, Soccer, Softball, Volleyball and Wrestling. (Modified for Field Hockey)
- B. Composite score to be determined by four groups, head coaches, schools (athletic administrators and coaches), officials (officiating associations), and officiating leaders. Each of the four groups have an equal weight in the process.
- C. Coaches rate officials on a 1-5 scale for each Varsity game. If an official received fewer than 15 ratings, the official receives a rating of 2.5 for each rating fewer than 15. The official's highest three and lowest five ratings are deleted, and the officials remaining ratings are used to determine the mean, median and mode of the official's ratings. Those three are totaled for a possible maximum score of 15.
- D. Schools (Athletic directors are responsible for submitting the ballot, preferably after consulting their coach) vote for a maximum of 15 officials. The maximum number of votes an official could receive from athletic directors is capped at 15.
- E. Officials vote through local associations, but procedures have been modified.
 - I. Associations vote for 30% of membership divided into 5 groups, each representing 5% of membership
 - II. Based on a 1-5 scale, with 5 being the highest, group 5 receives 15 votes, group 4 receives 12 votes, group 3 receives 9 votes, group 2 receives 6 votes and group 1 receives 3 votes.
 - III. The selection is determined by a vote of all dues-paying members including class 1, 2, and 3.
 - IV. All class 1 officials are eligible for consideration and may not be excluded for any reason (except if they voluntarily withdraw). Officials are not voted for by position.
 - V. An official belonging to more than one local association is eligible for consideration from all associations in which a member but receives the vote from only the association in which the official ranked highest.
 - VI. The selection procedure must be conducted in an open and transparent fashion. Selection results must be available to all local association members. The Senior Director may direct a District Administrator to conduct a local association's selection procedure if the Senior Director determines it necessary.

F. Select assigners, local association secretaries and interpreters, instructors currently teaching a class, directors of officiating development, OHSAA administrators, and select OHSAA assigned tournament observers and others as determined by the Senior Director may vote. A person serving in more than one of these categories may vote from only one of them. The maximum number of votes an official may receive from assigners, secretaries, interpreters, et al. is capped at 15.

I. Assigners of varsity sports that have an evaluation/observation program in place may vote for 30% of the number of varsity officials they assign. Assigners vote on a 3-point scale with one being the lowest and three being the highest.

II. Local Association Secretaries vote for 30% of their Local Association membership and may vote for officials outside of their association.

III. Interpreters vote for 30% of their Local Association membership and may vote for officials outside of their association.

IV. Instructors currently teaching a class may vote for 30 officials in the sport they teach.

V. Directors of officiating development may vote for an unlimited number of officials in the sport they oversee. They vote on a five-point scale with one being the lowest and five being the highest.

VI. OHSAA administrators may vote for an unlimited number of officials. They vote on a 5-point scale with one being the lowest and five being the highest.

IX. OHSAA assigned tournament observers and others selected by the Senior Director may vote for a maximum of 30 officials.

G. Officials are ranked in their Athletic District of residence from highest to lowest based on the following formula:

Total of coaches' ratings metrics + athletic directors' votes + local association vote + officiating leaders' vote
With each of the four categories having a possible score of 15, the maximum possible score would be 60.

H. Ranked officials are then divided into pools - groups of officials eligible for various levels of the tournaments.

I. The State pool is approximately three times the number of officials needed.

II. The Regional pool is approximately two times the number of officials needed.

III. The District and Sectional pool are approximately twice as large as the number of officials to be assigned. It may be subdivided into District, Sectional and Alternate pools to facilitate the assigning process.

IV. Tournament eligible officials complete a tournament questionnaire through their myOHSAA account.

V. Upon completion of the questionnaire process, the rankings and pools are reviewed to make certain there are enough officials in each pool.

VI. Regional and State assignments are finalized by one or more individuals including directors of officiating and OHSAA staff.

23) OHSAA Guide to Officials: Being a Good Guest

Sport officials play an important and integral role in the fulfillment of contests providing educational value to high school young men and women. Our conduct and handling of situations provides an important contribution to the development of participants and high school spectators. You represent the very integrity of the game. Your conduct before, during, and after the contest will reflect and ultimately shape attitudes towards authority figures and sports officials in general. As a contest official, you represent not only yourself and your respective association, but all officials and the OHSAA.

Prior to the Contest

1. Respond promptly to a contract offer to officiate.
2. If the school attempts to contact you to confirm the game, inform you of changes or important details such as change of venue, opponent, Senior Night, time, respond promptly. Return all calls and emails timely and professionally.
3. Call the school to confirm if the school has not called you. Leave your cell phone number if available. If possible, obtain a contact and number that you can call if a last-minute issue arrives.
4. Email the Athletic Director. Secure a phone number to call on the day of the contest if travel complications arise.
5. Get directions so you know where the contest is held, particularly if it is not on school grounds.

Arrival at the Site

1. Be courteous to all you meet. The memory of your conduct will last long after the game.
2. Park intelligently. Avoid areas where boosters may be congregating. If officiating a sport where your locker room is the parking lot – be aware of what can be seen. Be discreet and as invisible as possible.
3. Let the AD/coach know you are at the site.
4. Dress in a manner that reflects well upon yourself, other officials, and the OHSAA. Be mindful of team colors in your dress. Dressing in a bright red shirt as you officiate the “Big Red” may cause some speculation from an opponent.

Dressing Room

1. Check to see if there are changes to the event schedule.
2. Take care of any requested paperwork or vouchers.
3. Treat the dressing room appropriately and respectfully. Leave it in better shape than when you arrived. Place all towels that were provided in one central area.
4. Don't leave bottles or trash strewn about. Gather and secure all trash in appropriate containers as you leave. Leave the room or area in better condition than how you found it.
5. If the game was on an outside venue, don't clean your shoes on the walls or floors.
6. Realize that not every school will be able to provide food or drink. Do not take any frustration out on those helping you or working the concession stand. Treat everyone you encounter with respect and dignity.

7. Don't expect or ask for any special favors or entitlements. You are there to officiate, not be honored.
8. Appreciate whatever is provided.
9. Say "please" and "thank you" and "you are welcome." They go a long way.

Contest Site

1. Arrive ahead of time; be there as the respective sport requires.
2. Enter together, as a crew. Leave together, as a team.
3. Be friendly, yet firm as needed in gaining cooperation to have any site needed changes made. Explain the need. Be patient; be understanding; but be professionally firm. It is about the players.
4. Ignore the fans unless they are inciting players on the opposing team, using insulting/offensive/abusive language. Do not tolerate gestures or behavior that prevents you from performing your role.
5. Smile occasionally. Let your body language reflect that you are glad to be at the game.
6. Most schools have a no tobacco policy for their premises. Respect their policy and abide by it. Do not use tobacco while on school grounds or fields.

After the Game

1. Shower and pack in a timely manner. Don't hang around. School personnel want to leave as well.
2. Ensure the dressing room is tidy and picked up. Turn off all showers and leave towels in one place. Turn off lights as you leave.
3. Leave with only what you brought. Take no towels, balls, souvenirs.
4. Thank those who helped you. Be gracious even if you were not treated as you deserved.
5. Don't leave any trash/bottles/etc. in the parking lot as you leave.
6. Be the guest whom the host wants to have return.
7. Some officials bring joy wherever they are; other officials bring joy only whenever they leave.

24) OHSAA Guide to Being a Good Host

In general, treat officials in the same manner as a guest in your home. Your fans, supporters, coaches, and players will emulate how you treat officials. Show how you value the role officials perform by treating them with respect and in a professional manner.

Introduction

Officials play an extremely important, integral role in an interscholastic athletic event. Yet we are facing an increasing shortage of officials in most sports and activities. How one hosts and treats officials when the event is their responsibility speaks volumes in showing the respect and appreciation for their role, effort, and hard work in these educational contests. Providing officials with a welcoming atmosphere and basic essentials for the several hours they will be at your event will benefit everyone. By showing your appreciation, more officials will continue in this avocation and will help the OHSAA to continue to build and maintain a strong base of experienced, competent officials.

The OHSAA recognizes that the school administration has many duties and responsibilities on game day and nights. There are also limitations about facilities, funding, and staffing. It is our hope that you will consider the suggestions provided in this publication and put into practice as many as possible. Officials ask no more than what you expect of them – to give it your best. Thank you for hosting and treating officials in the best possible manner. Ultimately, it is in your best interest.

Prior to the Contest

1. Ensure there are contracts for all your games and activities.
2. Obtain the list of the officials assigned to your games and double check dates/times/locations.
3. Have an alphabetical list of your upcoming event officials along with contact numbers in case of a cancellation/postponement/delay.
4. Officials are to contact you to confirm date, time, and site several days in advance of the contest. If you do not hear from an official, do not assume all is okay.
5. Inform officials of any special parking instructions, who will be there to meet them upon their arrival, and details of any special ceremonies such as homecoming, senior night, etc...
6. Notify officials when there are changes, postponements, or delays.
7. Take appropriate measures to provide security for officials before, during, and after the game.
8. Ensure that the playing surface/field is properly prepared for the contest: well-maintained; lined properly; team and official areas marked in accordance with NFHS diagrams; no safety hazards; scoreboards and horns/buzzers operating; PA system in working condition.
9. Provide trained individuals to perform needed game functions – scorekeepers, timers, table workers, announcers, site managers. Have at least one experienced individual on site.

10. Provide proper medical personnel at the contest. Notify the officials who they are and where they will be during the event. If there are special procedures for requesting emergency medical assistance, please advise the officials. Let the officials know where safe shelter is in the event of inclement weather or a weather emergency.

Day of the Event

1. Reserve appropriate number of parking spots for officials.
2. Have your host greet and meet the officials upon their arrival and escort them to their dressing room.
3. Provide a clean, spacious private area to be used as a dressing and/or meeting room. If there are male and female officials, provide appropriate accommodations for everyone.
 - a. The facility should have a toilet and a shower if possible. Make sure there are enough chairs and lockers that can be locked available.
 - b. The areas should not be used by coaches or other school personnel during the contest.
 - c. Provide water, sport/energy drinks, soda for half-time and after the game. Having a cooler with the drinks in them is very convenient.
