Subject: SOC Online Meeting #1- Technical Issues

Date: Friday, September 1, 2023

Good morning all,

We have been made aware of the technical issues with the SOC Online Meeting #1. We are working diligently to fix the issues with the audio and length of the meeting. We are removing the SOC online meeting and will post a new meeting as soon as possible.

Please continue to be patient and we will send out another note when the issue has been resolved.

Thank you,
