Bulletin 24 -2

jfick@ohsaa.org

- Many of our umpires are now receiving their preseason packets from the Columbus office. When preparing these packets it was determined that, because of the larger umpire manual, we were over the weight and size limit for pre-sorted bulk mail. As a result each umpire is receiving two mailing packets this year – and they both may not arrive on the same day. Remember these are **not** sent First Class so they may be delivered at various times to umpires. I'm sure that these will continue to arrive over the next week or more. If an umpire does not receive a packet the first thing to do is check and make sure that they have renewed their permit for this year! This can be checked on myOHSAA. Also, these mailings are not forwarded by the postal service. Umpires need to update their myOHSAA profile and address when they move or have other updates.
- A reminder about the new and enhanced Softball Umpires Manual. This is our improved Mechanics Training publication and we encourage you to put some time into reviewing this. Also, the manual will continue to be published every other year so this book is for the 2024 and 2025 seasons. Unlike some OHSAA sports we use NFHS mechanics in softball. The White Book, also included in your mailing is our OHSAA preseason guide that gives you all our state information plus much more in a single location. Other items in the mailings include your 2024 rule and case books.
- Thanks to all the umpires who have registered for our series of Mechanics Clinics. The balance of this bulletin is another reminder of the registration process for these valuable clinics as well as information on upcoming state meetings. **As a reminder, we are excited to be holding five Mechanics Clinics being offered around the state – and with our additional emphasis on mechanics will be offering all attendees SIX bonus points on your tournament composite score. I think that shows the strong feelings we have on mechanics improvement and the value of these clinics. For the past several years we have seen many umpires advance in tournament play, including to the state level, after attending these clinics, being identified and improving their mechanics. These clinics are also a great tool for our newer umpires who want to jump start their career. We want to encourage everyone to take advantage of this opportunity!**

OHIO HIGH SCHOOL ATHLETIC ASSOCIATION

2024 SOFTBALL UMPIRE MECHANICS CLINICS

All sessions are from 9 AM to 4PM

- Saturday, February 10 – East/Southeast – New Concord – East Muskingum Middle School—13120 John Glenn School Road—across from John Glenn High School
- Saturday, February 17 – Northwest – Findlay – Glenwood Middle School—1715 North Main St.
- Sunday, February 18– Northeast – Tallmadge – Tallmadge Recreation Center – 46 N. Monroe St.
- Saturday, March 2 — Southwest — West Chester — Lakota West Freshman School, 5050 Tylersville Rd., Westchester 45069. Park and Enter on the Westside of school next to Baseball and Softball Fields. This location is an update from the original printed version of the White Book.
- Sunday, March 3 – Central - Waggoner Rd. Junior High School — 360 South Waggoner Rd., Reynoldsburg

The OHSAA will sponsor five Softball Mechanics Clinics in 2024. These clinics, designed to help umpires improve their skills and attain their advancement goals, will emphasize plate and base mechanics. Staff will be from the OHSAA Softball Umpire Instructional Team and will include OHSAA softball tournament observers. Umpires attending will receive one educational credit (local rules meeting). Attendees will also receive SIX points added to their TOURNAMENT SELECTION SCORE. The cost of each clinic will be \$60 which includes all instruction, lunch, and a registration gift. Immediate registration is encouraged as the number of attendees at each location will be limited.

This clinic will be a working clinic – attendees should come prepared for both plate and base drills in an indoor setting. Please bring your plate equipment - OHSAA umpire uniform is recommended. Please also bring gym shoes as the weather will likely require that these be indoor events. Stations will be rotated in order that attendees can work with each instructor.

We have learned that many of our newer umpires were as anxious as our veterans to take advantage of our Mechanics Clinics. These clinics provide a great supplement to the RefPreps classes offered to our newest umpires. IN THIS YEAR'S CLINICS GROUPS WILL BE DIVIDED BASED ON EXPERIENCE LEVEL – THIS IS A GREAT OPPORTUNITY FOR BOTH NEWER AND VETERAN UMPIRES TO WORK ON IMPROVING THEIR MECHANICS IN A SETTING THAT HELPS THEM BASED ON THEIR AMOUNT OF EXPERIENCE.

Questions should be directed to Clinic Director Jerry Fick, OHSAA Director of Officials Development – Softball at swdoc@fuse.net.

For Registration – Use form below – follow instructions on the form. Note – Clinic registration will start at 9AM and program will begin at 930AM. In case of inclement weather participants will be notified by email and the clinic will be rescheduled.

- **STATE MEETING INFORMATION – FIRST MEETING IS JANUARY 30** - As in the past, all softball umpires must complete four education credits (local meetings, etc.) and one state rules meeting. The state meeting will be available both online and in person. The BEST WAY to start your preparation for the coming season is to attend a “face-to-face” State Rules Interpretation Meeting. There will be eight in-person meetings. Each meeting will feature sessions of about two hours and in addition to the state meeting will review the most important items that we want to cover prior to the season. By attending the entire session, you will receive credit for a local meeting in addition to the state softball meeting. There is no need to “pre-register” for any face-to-face State meetings. The schedule is listed below with all meetings starting at 6:00 p.m.

Tuesday, January 30 - New Concord – East Muskingum Middle School - 13120 John Glenn School Rd. – across street from John Glenn High School

Wednesday, January 31 – Columbus – Upper Arlington High School – 1625 Zollinger Rd.

Tuesday, February 6 – West Chester - Lakota West High School, 8940 Union Centre Blvd. - - Cafeteria - Enter through cafeteria doors east end of building – Door #24

Thursday, February 8 – Cleveland - Garfield Heights High School – 4900 Turney Rd.

Tuesday, February 13 – Jackson - Jackson High School – 500 Vaughn St.

Thursday, February 15 – Findlay – Donnell Middle School – 301 Baldwin Ave.

Tuesday, February 20 – Piqua – Upper Valley Career Center – 8811 Career Dr.

Thursday, February 22 –Canton –Stark County Educational Service Center, 6057 Strip Ave NW

The online state meeting for softball will be available by the week of February 5. Details will be emailed to all officials and will include the deadlines for completing the meeting. To access the

meeting, log in to your myOHSAA profile and click the “Rules Meetings” icon in the top right, then click “Find a State Meeting” from the left side menu, then select “Softball” from the “Sports” dropdown menu, “Official” from “Meeting Type” dropdown menu, and then click “Search”. This search will display the online meeting option as well as any face-to-face meeting options. You may view the online meeting on any device except for a Google Chromebook. A Google Chromebook is a type of laptop computer, entirely different from the popular internet browser Google Chrome. You may view the online meetings using the internet browser Google Chrome.
