- Softball packets have been mailed by the OHSAA to all officials. Remember these are **not** sent First Class so they may be delivered at various times to umpires. If an umpire does not receive a packet the first thing to do is check and make sure that they have renewed their permit for this year! This can be checked on myOHSAA. Also, these mailings are not forwarded by the postal service. Umpires need to update their myOHSAA profile and address when they move.

STATE MEETING INFORMATION – FIRST MEETING IS JANUARY 24 - As in the past, all softball umpires must attend four local rules meeting and one state rules meeting. The OHSAA requires umpires holding permits in both baseball and softball to attend four local meetings for each sport.

The state meeting will be available both online and in person. The **BEST WAY** to start your preparation for the coming season is to attend a “face-to-face” State Rules Interpretation Meeting. There will be eight in person meetings. **Each meeting will feature sessions of about two hours and in addition to the state meeting will review the most important items that we want to cover prior to the season. By attending the entire session, you will receive credit for a local meeting in addition to the state softball meeting.** There is no need to “pre-register” for any face-to-face State meetings. The schedule is listed below with all meetings starting at 6PM.
